You can also call our member services team at **888-257-1985**, Monday through Friday, from 8 a.m. to 5 p.m.

**Select your primary care provider (PCP)**
Every member needs to have a PCP. A PCP is the doctor, nurse or physician assistant who manages your care.

If you don't have a PCP or want to switch providers, call **888-257-1985** or visit our member portal at TuftsHealthPlan.com/MemberLogin.

**What if a PCP's entry says "not accepting new patients"?**
Some PCP practices may be "full," which means they are not accepting new patients. If you are a new Tufts Health Together with CHA member and already a patient of the PCP, you should be able to keep your PCP, as long as he or she is in the Tufts Health Together with CHA network. Call us at **888-257-1985** for information about whether a PCP is accepting new patients or visit TuftsHealthTogether.com/CHA for the most up-to-date information.

**Finding a behavioral health services provider**
If you need to see a behavioral health specialist, ask your PCP or your counselor/therapist to suggest a specialist for you. If you want to talk to our member services team about finding a behavioral health provider, call us Monday through Friday, from 8 a.m. to 5 p.m., or visit TuftsHealthTogether.com/CHA.

**Finding a specialist**
Talk to your PCP before seeing a specialist. They will help you find the right specialist, get an appointment and coordinate your care.

Please read your Member Handbook for more information about specialists and prior authorization. You can also ask your PCP, call our member services team at **888-257-1985** or visit TuftsHealthTogether.com/CHA to get more information about specialists.

**Prior authorization**
Prior authorization means your provider needs to make sure you have coverage for certain services. Some covered services do not need prior authorization. For example, you never need prior authorization before you get emergency care, post-stabilization care services, or a physical therapy evaluation if the next 11 physical therapy visits are with preferred in-network providers. You also never need prior authorization before getting family-planning services from any statewide MassHealth-contracted provider.

**In an emergency**
In a medical or behavioral health emergency, do not wait. Call 911 or go to the nearest emergency room. Bring your Tufts Health Together with CHA member ID card *and* your MassHealth ID card with you. For behavioral health emergencies, you may also call your local Community Behavioral Health Center (CBHC).

After your emergency visit, please tell your PCP and/or your behavioral health provider (if you have one) what happened within 48 hours in order to get follow-up care, if necessary.

For all other care that requires hospitalization, your PCP will arrange for you to go to a hospital in our network.

**In an urgent care situation**
An urgent care situation is when you experience a health problem that needs attention right away, but you do not believe you are having an emergency. You may experience a health problem that is serious but does not put your life in danger or risk permanent damage to your health. Your PCP or your behavioral health provider can usually address these medical or behavioral health problems.

Make an appointment to visit your provider. They will see you within 48 hours for urgent care appointments. If your condition gets worse before your PCP or behavioral health provider sees you, call 911 or go to the nearest emergency room. If you have a behavioral health concern, you can also call your local Community Behavioral Health Center (CBHC).

In some areas, you may be able to go to an urgent care center (UCC). When going to a UCC, try to contact your PCP as well. To find UCCs in our provider network, go to TuftsHealthTogether.com/CHA and use our Find a Provider tool.

**When you travel**
If you are traveling and need emergency care, go to the nearest emergency room. We do not cover any services received outside of the U.S. or its territories, including emergency or urgent care.

**24/7 NurseLine**
Get free health support by phone anytime you need it by calling our 24/7 NurseLine at 888-MY-RN-LINE (888-697-6546) (TTY: 711). Interpreter services are available. The 24/7 NurseLine is not an emergency line and does not take the place of your provider.
