

Medical/Pharmacy Claims Info in CaseTrakker

Starting tomorrow, April 8, 2016, the medications claims information currently located in the Authorization Summary section of the Member File will be moved to the Search tab as a search option. Also moving to the Search tab is Pharmacy claims information, which was previously located in the Medication/Medical History section of the Member File.

What does this mean for you?

The Authorization Summary tab and the Medications/Medical History tab will now load a lot faster **-and-** there will be two new search options added to the Search Tab:

- Medical Claims by Member ID
- Pharmacy Claims by Member ID

The screenshot shows the CaseTrakker Dynamo interface. At the top, there is a navigation bar with the title "CaseTrakker Dynamo | CTDDDev" and several tabs: "Search", "Pending Welcome Calls", "Unassigned Evaluations", "My Work", "Covering", and "MDS Management". The "Search" tab is active. Below the navigation bar, there is a search input field containing "SCO" and a dropdown menu with "All Queries". A list of search options is displayed on the left side of the screen, including "My Current IP Prior Auths", "My IP Prior Auths Awaiting Admission", "My Current Inpatient Stays", "My Concurrent Reviews", "My Current Outpatients", "My Outpatients - Review Next 15 Days", "IP Prior Auths - In Progress by Facility", "IP Prior Auths - In Progress by Member Name", "Inpatient Stays - In Progress by Facility", "Inpatient Stays - In Progress by Member Name", "Outpatients - In Progress by Member Name", "Denied Authorizations by Member Name", "Outpatient Event by Parent ID #", "Medical Claims by Member ID", and "Pharmacy Claims by Member ID". The "Medical Claims by Member ID" and "Pharmacy Claims by Member ID" options are highlighted in yellow. At the bottom of the screen, there is a "Reassign Primary Owner" section with a list of options: "Member File Lookup", "My Work", "My Authorizations", "Covering Work", and "Covering Authorizations". The "My Authorizations" option is highlighted in yellow.
