

Tufts Health Plan SCO Care Management Newsflash CaseTrakker ICD-10 Job Aid

Providers are now required to submit ICD-10 codes for date of service or date of admission of October 1, 2015 and beyond. The Clinical Services Tech Group has created a CaseTrakker Job Aid for the new ICD-10 update that went in last week. Please take a moment to review the attached Job Aid. Care Managers should pay special attention to page 1 and pages 4 - 7 as they pertain to Outpatient Events.

Refer to the [Clinical Services Tech Group Casetrakker ICD-10 Documentation](#).

As a reminder, please complete the two required ICD-10 online courses:

- ICD-10 Standard Training: Changing from ICD-9 to ICD-10
- ICD-10 Standard Training: ICD-10 PCS
