

Tufts Health Plan SCO Care Management - Newsflash

RNCM/GSSC Checklist updates (removal of select DSTs and forms)

From: Damien Wimbush

Effective immediately, the following form and Decision Support Tools (DSTs) will no longer need to be completed and stored in CaseTrakker.

- Transportation Form
- Absorbent Products DST
- Home Delivered Meals DST
- Cane\Crutches\Walker\Wheelchair DST

Going forward, the only DSTs that must be completed and stored in CaseTrakker are:

- PERS DST
- AFC DST
- GAFC DST
- ADH DST

All training materials will be updated accordingly. If there are any questions, please let me know.

Thanks,
Damien Wimbush
