

Tufts Health Plan SCO Care Management - Newsflash

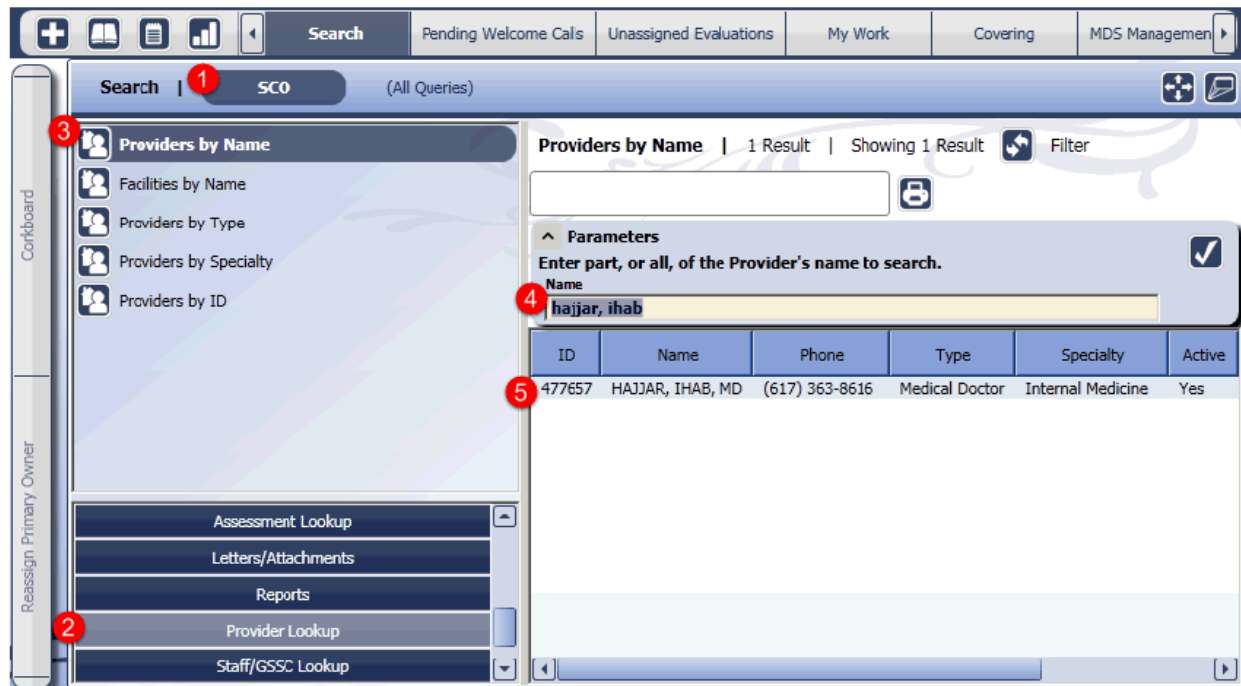

National Provider Identifier (NPI) number

From: Damien Wimbush

Effective immediately, when completing a Treatment Plan Note and member requires transportation to and from medical appointments, please include in the Summary section of the Treatment Plan Note all providers, their specialties and NPI numbers.

Example: Member requires non-emergent transportation to up to 2 medical appointments per week to see PCP (Dr. Hajjaj) NPI 1790806370, Cardiologist (Dr. Brown) NPI 8573920134, and Endocrinologist (Dr. Smith) NPI 2394758231.

To find Provider NPI numbers in CaseTrakker :

1. From the Search Tab, select "SCO".
2. Select "Provider Lookup" for the search category.
3. Select "Providers by Name" for the search type.
4. Enter the name of the Provider in the search field and tap the Enter key.
5. Double click on the Provider line when it displays below the search field and a full description of the Provider will display.
