

## CaseTrakker Passwords

**UPDATE:** There will be changes made to how passwords behave in CaseTrakker. These changes will take effect according to the following timeline:

**7/22/15** – Wednesday – new password behavior changes go into CaseTrakker Prod.

**7/23/15** – Thursday – all users will be required to reset their password according to the new guidelines when they login.

**In Future** – all users who have not logged in to CaseTrakker in 90 days will be automatically deactivated. The SDE process will need to be initiated to reinstate the account.

Thanks,  
Damien
