

## **CaseTrakker Scheduled for Update (7/31/15)**

CaseTrakker is scheduled for a full system update Friday evening at 5pm. All users must be logged out of the system by this time. You should not expect to see anything different after the update.

If you notice any issues, please email the Clinical Services Tech Group email box and cc Katie Tardiff and Kristen Henry.

Please let me know if you have any questions.

Thanks,  
Damien
