

CaseTrakker Tab Drop-down menu

If you click on the drop-down menu to the left of the Search tab, a list of all available CaseTrakker tabs will appear and you are able to quickly jump between tabs without the need to scroll. For example, you generally need to scroll to the right in order to see the "Letters Ready to Send" tab as well as the "Settings" tab. This new drop-down menu eliminates the need to scroll to access tabs.

The screenshot displays the CaseTrakker Dynamo interface. At the top, the header reads "CaseTrakker Dynamo | CTDProd" and includes a date "Tuesday, September 22, 2015" and a "Logout" link. Below the header is a navigation bar with tabs: "Search", "Pending Welcome Calls", "Unassigned Evaluations", "My Work", "Covering", "MDS Management", "Incoming Calls", and "UM Intake". A red box labeled "Drop-down" points to a small arrow icon on the left side of the "Search" tab. A red box labeled "Scroll button" points to a scroll button on the right side of the "UM Intake" tab. The main content area shows a "Member File" for "Mary Poppins" with various information sections: "Member" (Mary Poppins, 321 Chimchim Boston, MA 0247), "Eligible Status" (Active), "Member Information" (Gender: Female, Birth Date: 2/18/1954, Age: 61, Language: English, Ethnicity, SSN: 555-55-5555), "Current Rate Cell" (NHC), "Primary Owner" (Scott Azzalina - Administrator), and "Care Level" (Level 4 NHC). A "Grievance in Progress" banner is visible at the bottom.
