

History Icon in CaseTrakker

Remember that whenever the mouse cursor is floated over the **History Icon** in CaseTrakker, the history for that field will display in a separate popup window. Below is an example showing the history of the Care Level field for a member. As you can see, the Care Level has changed for this member several times between April – September of 2014.

The screenshot shows the 'Member File' interface. A red box highlights a popup window displaying the history of the 'Care Level' field. The popup table contains the following data:

Date Changed	Changed By	Value	Description
9/8/2014 10:54:21 AM	mt4870	Level 4	NHC
8/19/2014 1:47:45 PM	mm3738	Level 3	AD/CMI
4/23/2014 11:28:00 AM	MG6263	Level 2	CW - HCBS
4/16/2014 8:44:46 AM	jh6265
