

Tuesday Tip - New CaseTrakker Enhancements

Activity Log Additions:

- **Date Signed** field (calendar) now appears when Activity Type: "**Initial Individualized Plan Of Care**" is selected for an Activity Log entry

This addition is for the CCs/Admins to use when attaching signed Carbon Copy IPC forms (mailed in by Care Managers) to the member's file. The date on which the member/personal representative signed the carbon copy IPC form can now be documented.
