

## **2022 RI SMALL GROUP PLAN CHANGES**

---

## 2022 RI Small Group – Overview of Plan Changes

Tufts Health Plan is making a number of benefit changes to both new and renewing small group plans, effective upon renewal on or after January 1, 2022. These changes described below are reflected in the 2021-22 plan comparison grid enclosed. We are making these changes to help lower premiums for employers and members, and to better manage increasing pharmacy costs associated with new-to-market and specialty drugs. More detailed information will be shared soon when you receive your renewal package.

### **Deductible, Coinsurance & Out-of-Pocket Maximum**

We have made changes to the deductible, coinsurance, and out-of-pocket maximum associated with some of our plans.

### **Prescription Drug**

We have made changes to pharmacy copays for some of our plans. We encourage you to review our full drug formulary on our website to familiarize yourself with all pharmacy changes. This information is available on the Pharmacy page at [www.tuftshealthplan.com](http://www.tuftshealthplan.com).

### **Copayments**

We have adjusted copays on some of our plans for primary care and specialist visits, urgent care, therapy services (physical, occupational and speech), testing (laboratory, diagnostic, and imaging), inpatient and outpatient procedures, and emergency services.

### **Telehealth (through Teladoc) on Saver Plans**

Telehealth virtual health care services (powered by Teladoc) member cost-share (deductible then covered in full) will be reinstated upon renewal for all Saver/HSA compatible plans.

### **RI Small Group Calendar Year to Plan Year Transition**

Groups who currently have a plan that runs on a calendar year (Jan 1<sup>st</sup> – Dec 31<sup>st</sup>) and renew on an off-cycle date (any date not Jan 1<sup>st</sup>), will be required upon renewal in 2022 to match their plan year with their renewal date.

### **State Mandates**

Prostate and colorectal examinations- Effective 1/1/22- Mandates follow-up screenings after an abnormal result be covered without cost share.

Insulin Copay Cap- Effective 1/1/22- Caps copayments for a 30-day supply of insulin at \$40.

Doula services- Effective 7/1/22 – Requires that plans cover perinatal doula services.

To better understand the benefit changes that go into effect at your scheduled renewal date in 2022, please review the following plan comparison grid. If you have questions, please contact your Account Manager at 617-668-5444. This letter serves as your renewal notice as required by State and Federal law.

## Important Information for RI Small Group Employers

### Renewal Notice

In accordance with regulations set forth by Health and Human Services, we're notifying you through this newsletter that your health insurance policy will be renewed on your renewal effective date. We will issue our renewal proposals as rates become available. Your broker will forward this information to you once it is received from our Client Services team. If you're not working with a broker, we'll provide this information directly to you.

Beginning with renewals and new business with effective dates of January 1, 2022 and forward, we have made a number of benefit changes to our existing RI small group plans. You will want to refer to the plan changes in this brochure to learn more about your benefit updates.

### **Your health insurance policy will be renewed on your renewal effective date.**

At the end of your current policy year, we will automatically enroll you in the same policy, but please review the Summary of Benefits and Coverage for your upcoming plan year to check for any changes as we may have made some modifications to the coverage you had last year. You can also review the plan changes in this notification to understand updates made to your plan. If you wish to choose a different policy, you may choose to enroll in one of our other policies or any other coverage offered in the state for which you are eligible.

### **What do I need to do?**

There is nothing you are required to do. At the end of your current policy year, we will automatically enroll you in the 2020 version of your current policy. Please refer to the plan changes in this brochure to understand your benefit updates.

### **What if I want to choose a different policy?**

If you wish to choose a different policy, please let Tufts Health Plan or your broker know which plan you would like to select and fill out the Renewal Confirmation form included in our renewal proposal package. To ensure that your enrollees do not have a break in coverage, you must enroll in a new policy on or before the effective date of your renewal.

### **You have options and rights for getting quality, affordable health insurance.**

Small businesses may shop in the Small Business Health Options Program (SHOP) Marketplace through the HealthSource RI in Rhode Island. Coverage sold through these Marketplaces meets certain standards. However, review your options as soon as possible as you may be required to buy your coverage within a limited time period.

The Marketplace allows you to choose a private plan that fits your budget and health care needs. You may also qualify for tax credits to help you afford health insurance coverage through the Marketplace. No one who is qualified to purchase coverage through the Marketplace can be turned away or charged more because of a pre-existing condition.

### **How can I learn more?**

If you have questions, please contact your Account Manager at 617-668-5444. To learn more about the Health Insurance Marketplaces and protections under the Affordable Care Act, visit [HealthCare.gov](https://www.healthcare.gov) or [healthsourceri.com](https://www.healthsourceri.com).

These charts provide benefit highlights for general comparison purposes only. There are also services that the plans do not cover.

Please refer to the Summary of Benefits and Coverage (SBC) or your Evidence of Coverage (EOC) for complete information.

All 2022 plans meet Minimum Credible Coverage (MCC) standards for MA employees.

All 2022 plans meet Medicare Part D Creditable Coverage, when Medicare is the primary payer.

Tier 1 on all Lifespan Premier Choice plans includes free-standing facilities.

All 2022 small group plans include coverage for acupuncture, with no visit or dollar limits. Cost share mirrors that of chiro.

\*Per IRS regulation, this Saver plan does not feature an embedded family deductible. An individual member of a family plan may need to meet the full family deductible.

\*\*Rx Coins Max is the maximum amount of coinsurance a member would pay per fill for drugs in any tier with coinsurance. The amounts on this grid represent the maximum coinsurance for a 30-day supply. The maximum Rx coinsurance for a 60-day or 90-day supply (if allowed) is 2x and 3x the 30-day amount, respectively.

\*\*\*Urgent Care Center cost share applies to non-hospital affiliated centers.
