

This is a Massachusetts Small Group and Individual Gold Plan

This health plan meets Minimum Creditable Coverage standards and will satisfy the individual mandate that you have health insurance.

Massachusetts Requirement to Purchase Health Insurance: As of January 1, 2009, the Massachusetts Health Care Reform Law requires that Massachusetts residents, eighteen (18) years of age and older, must have health coverage that meets the Minimum Creditable Coverage standards set by the Commonwealth Health Insurance Connector, unless waived from the health insurance requirement based on affordability or individual hardship. For more information call the Connector at 1-877-MA-ENROLL or visit the Connector Web site (www.mahealthconnector.org). This health plan meets Minimum Creditable Coverage standards that are effective January 1, 2010 as part of the Massachusetts Health Care Reform Law. If you purchase this plan, you will satisfy the statutory requirement that you have health insurance meeting these standards. This disclosure is for minimum creditable coverage standards that are effective January 1, 2010. Because these standards may change, review your health plan material each year to determine whether your plan meets the latest standards. If you have questions about this notice, you may contact the Division of Insurance by calling (617) 521-7794 or visiting its Web site at www.mass.gov/doi.

This plan includes the Tiered Provider Network called Your Choice. In this plan you may pay different levels of copayments, coinsurance, and/or deductibles depending on your plan design and the tier of the provider delivering a covered service or supply. This plan may make changes to a provider's benefit tier annually on January 1. Please consult the Your Choice provider directory or visit the provider search tool at tuftshealthplan.com and click on doctor search to determine the tier of providers in the Your Choice Tiered Provider Network. If you need a paper copy of the provider directory, please contact member services.

The Summary of Benefits and Coverage (SBC) document will help you choose a health plan. The SBC shows you how you and the plan would share the cost for covered health care services. NOTE: Information about the cost of this plan (called the premium) will be provided separately. This is only a summary. For more information about your coverage, or to get a copy of the complete terms of coverage, see https://www.tuftshealthplan.com/doc-links-sg or call 800-462-0224. For general definitions of common terms, such as allowed amount, balance billing, coinsurance, copayment, deductible, provider, or other underlined terms see the Glossary. You can view the Glossary at https://www.healthcare.gov/sbc-glossary/ or call 800-462-0224 to request a copy.

Important Questions	Answers	Why this Matters:
What is the overall deductible?	\$1,500 individual/\$3,000 family Tier 1 medical deductible; \$1,500 individual/\$3,000 family Tier 2 medical deductible; per calendar year.	Generally, you must pay all of the costs from <u>providers</u> up to the <u>deductible</u> amount before this <u>plan</u> begins to pay. If you have other family members on the <u>plan</u> , each family member must meet their own individual <u>deductible</u> until the total amount of <u>deductible</u> expenses paid by all family members meets the overall family <u>deductible</u> .
Are there services covered before you meet your deductible?	Yes. Preventive care, primary care, specialist care services are covered before you meet your deductible.	This <u>plan</u> covers some items and services even if you haven't yet met the <u>deductible</u> amount. But a <u>copayment</u> or <u>coinsurance</u> may apply. For example, this <u>plan</u> covers certain <u>preventive services</u> without <u>cost-sharing</u> and before you meet your <u>deductible</u> . See a list of covered <u>preventive services</u> at https://www.healthcare.gov/coverage/preventive-care-benefits/ .
Are there other deductibles for specific services?	No.	You don't have to meet deductibles for specific services.
What is the <u>out-of-pocket</u> <u>limit</u> for this <u>plan</u> ?	\$7,000 individual/\$14,000 family for medical, pharmacy, and pediatric dental expenses; per calendar year.	The <u>out-of-pocket limit</u> is the most you could pay in a year for covered services. If you have other family members in this <u>plan</u> , they have to meet their own <u>out-of-pocket limits</u> until the overall family <u>out-of-pocket limit</u> has been met.
What is not included in the out-of-pocket limit?	Premiums, balance-billed charges, and health care this plan doesn't cover.	Even though you pay these expenses, they don't count toward the out-of-pocket limit.
Will you pay less if you use a <u>network provider</u> ?	Yes. See https://www.tuftshealthplan.com , "Find a doctor, hospital" or call 800-462-0224 for a list of network providers .	This <u>plan</u> uses a <u>provider network</u> . You pay the least if you use a <u>provider</u> in Tier 1. You pay more if you use a <u>provider</u> in Tier 2. You will pay the most if you use an <u>out-of-network provider</u> , and you might receive a bill from a <u>provider</u> for the difference between the <u>provider's</u> charge and what your <u>plan</u> pays (<u>balance billing</u>). Be aware, your <u>network provider</u> might use an <u>out-of-network provider</u> for some services (such as lab work). Check with your <u>provider</u> before you get services.
Do you need a <u>referral</u> to see a <u>specialist</u> ?	Yes.	This <u>plan</u> will pay some or all of the costs to see a <u>specialist</u> for covered services but only if you have a <u>referral</u> before you see the <u>specialist</u> .

All <u>copayment</u> and <u>coinsurance</u> costs shown in this chart are after your <u>deductible</u> has been met, if a <u>deductible</u> applies.
