

We are pleased to announce that Tufts Health Plan will serve as the Official Presenting Sponsor of the Rhode Races Half Marathon Series and Corporate Fit Challenge.

This series of races will take runners on a scenic running tour of some of the most iconic Rhode Island cities and towns throughout the year – Newport, Providence, Bristol, Jamestown, and Narragansett.

Through this Sponsorship and Corporate Fit Challenge, Tufts Health Plan is leading the efforts to encourage worksite wellness and help Rhode Island become one of the healthiest states in the nation. It is one of the ways we capture the spirit of what we are all about as a health plan; and is one of the many ways we fulfill our mission to embrace a healthy and active lifestyle in the diverse communities we serve.

We will be sending out a letter to our Rhode Island clients not only informing them of our sponsorship for the Rhode Races Half Marathon Series and Corporate Fit Challenge, but also encouraging them to participate. We are also offering a 25% discount off race entry fees to any individuals who are Tufts Health Plan members by entering their 11-digit member ID to receive the promotional discount code that can be used at the time of registration checkout.
