

Tufts Health Plan Named Presenting Sponsor of the 2018 Spartan Fenway Park Stadium Sprint Obstacle Race

We are excited to announce that Tufts Health Plan has been named the presenting sponsor and official health plan sponsor of the 2018 Spartan Fenway Park Stadium Sprint, taking place November 10-11. The event is part of the 2018 Spartan Stadium Series, which turns the hallowed grounds of America's most beloved ballparks and stadiums into obstacle racing arenas.

This race will provide participants with unprecedented access to the beloved home of the Boston Red Sox; blending existing attributes of the ballpark (inside and out) with the Spartan's signature obstacles. Competitors can expect to race down narrow concourses, climb walls and rope on the warning tracks, attempt hand release pushups in the locker rooms, carry sandbags in the stands, throw spears, and more.

Through our sponsorship, we are offering a 20% discount off of race-entry fees to any individuals who are Tufts Health Plan members. They just need to use the coupon code "**THP20**" when they register at www.spartan.com.
*Please note that coupon codes are limited and available on a first come first serve use basis.

Strength comes in numbers. The event is a great opportunity to challenge your employees and even form a corporate team! Whether a fellow team member is helping you over the wall or chasing you up the bleachers, make sure they're with you at the starting line. Your employees can sign up multiple team members at once to receive a discount. The more Spartans your employees sign up at once, the bigger the discount! And the best way to ensure that you are starting at the exact same start time as your friends is to create a Team during registration (or have your friends join your team!).

All Spartan Stadium events feature heats for all ages and abilities, from beginner to elite – and Spartan Kids Race offers courses at varying distances for kids ages 4 to 13 years old.

So encourage your employees to get their friends, co-workers, and loved ones off the couch and into the mud for this amazing event! We hope to see everyone in November. For more information and to register, your employees should visit www.spartan.com.
