

Rhode Master Series presented by Tufts Health Plan

We are pleased to announce that Tufts Health Plan will serve as the Official Presenting Sponsor of the Rhode Races Half Marathon Series and Corporate Fit Challenge.

This series of races will take you on a scenic running tour of some of the most iconic Rhode Island cities and towns throughout the year – Newport, Providence, Bristol, Jamestown, and Narragansett.

Through this Sponsorship and Corporate Fit Challenge, Tufts Health Plan is leading the efforts to encourage worksite wellness and help Rhode Island become one of the healthiest states in the nation. It is one of the ways we capture the spirit of what we are all about as a health plan; and is one of the many ways we fulfill our mission to embrace a healthy and active lifestyle in the diverse communities we serve.

How can you get involved?

As one of our valued clients, we would like to extend a 25% discount off race-entry fees to any individuals who are Tufts Health Plan members. When registering for a race online, you will be prompted to answer whether you are a Tufts Health Plan member; select “Yes” and enter your Tufts Health Plan member ID number. Check “Yes” when asked if you would like to take advantage of your Tufts Health Plan discount, the system will then populate a registration discount code for you. Save this code and be sure to enter it in the “Coupon Code” section at the time of checkout to receive the 25% discount. The discount is not applicable towards any of the Kids Race registrations.

And, what's more fun than running a race by yourself, is running a race with your coworkers!

Our Corporate Fit Challenge allows you to create a company team at one of these races. Team members build wellness and camaraderie as they train and compete to accomplish their personal best. We know first-hand the benefits a worksite wellness program can yield to local businesses. Not only does it improve the health of your employees, but it can also lead to higher productivity and presentism for employers.

The Corporate Fit Challenge is a friendly competition among area businesses, and it is a fun way to promote fitness, team building, and healthy lifestyles. Create your team now and see who can achieve the highest employee participation rate in Rhode Races events and even earn bragging rights as the healthiest organization in RI!
