

This is a Massachusetts Individual Silver Plan

This health plan meets Minimum Creditable Coverage standards and will satisfy the individual mandate that you have health insurance.

Massachusetts Requirement to Purchase Health Insurance: As of January 1, 2009, the Massachusetts Health Care Reform Law requires that Massachusetts residents, eighteen (18) years of age and older, must have health coverage that meets the Minimum Creditable Coverage standards set by the Commonwealth Health Insurance Connector, unless waived from the health insurance requirement based on affordability or individual hardship. For more information call the Connector at 1-877-MA-ENROLL or visit the Connector Web site ([www.mahealthconnector.org](http://www.mahealthconnector.org)). This health plan meets Minimum Creditable Coverage standards that are effective January 1, 2010 as part of the Massachusetts Health Care Reform Law. If you purchase this plan, you will satisfy the statutory requirement that you have health insurance meeting these standards. This disclosure is for minimum creditable coverage standards that are effective January 1, 2010. Because these standards may change, review your health plan material each year to determine whether your plan meets the latest standards. If you have questions about this notice, you may contact the Division of Insurance by calling (617) 521-7794 or visiting its Web site at [www.mass.gov/doi](http://www.mass.gov/doi).

 The Summary of Benefits and Coverage (SBC) document will help you choose a health [plan](#). The SBC shows you how you and the [plan](#) would share the cost for covered health care services. NOTE: Information about the cost of this [plan](#) (called the [premium](#)) will be provided separately. This is **only a summary**. For more information about your coverage, or to get a copy of the complete terms of coverage, visit [tuftshealthplan.com](http://tuftshealthplan.com) or call 888.257.1985 (TTY: 711). For general definitions of common terms, such as [allowed amount](#), [balance billing](#), [coinsurance](#), [copayment](#), [deductible](#), [provider](#), or other underlined terms see the Glossary. You can view the Glossary at <https://www.healthcare.gov/sbc-glossary> or call 888.257.1985 (TTY: 711) to request a copy.

Important Questions	Answers	Why This Matters:
What is the overall <a href="#">deductible</a> ?	\$0	See the Common Medical Events chart below for your costs for services this <a href="#">plan</a> covers.
Are there services covered before you meet your <a href="#">deductible</a> ?	Yes. Preventive services do not apply toward the <a href="#">deductible</a> .	This <a href="#">plan</a> covers some items and services even if you haven't yet met the <a href="#">deductible</a> amount. But <a href="#">copayment</a> or <a href="#">coinsurance</a> may apply. For example, this <a href="#">plan</a> covers certain <a href="#">preventive services</a> without <a href="#">cost sharing</a> and before you meet your <a href="#">deductible</a> . See a list of covered <a href="#">preventive services</a> at <a href="https://www.healthcare.gov/coverage/preventive-care-benefits/">https://www.healthcare.gov/coverage/preventive-care-benefits/</a> .
Are there other <a href="#">deductibles</a> for specific services?	No	You don't have to meet <a href="#">deductibles</a> for specific services.
What is the <a href="#">out-of-pocket limit</a> for this <a href="#">plan</a> ?	Medical: \$0 Pharmacy: \$250/individual, \$500/family	The <a href="#">out-of-pocket limit</a> is the most you could pay in a year for covered services. If you have other family members in this <a href="#">plan</a> , they have to meet their own <a href="#">out-of-pocket limits</a> until the overall family <a href="#">out-of-pocket limit</a> has been met.
What is not included in the <a href="#">out-of-pocket limit</a> ?	Premiums, balance billing charges and health care this plan doesn't cover.	Even though you pay these expenses, they don't count toward the <a href="#">out-of-pocket limit</a> .
Will you pay less if you use a <a href="#">network provider</a> ?	Yes. See <a href="http://tuftshealthplan.com">tuftshealthplan.com</a> or call 888.257.1985 for a list of <a href="#">network providers</a> .	This <a href="#">plan</a> uses a <a href="#">provider network</a> . You will pay less if you use a <a href="#">provider</a> in the <a href="#">plan's network</a> . You will pay the most if you use an <a href="#">out-of-network provider</a> , and you might receive a bill from a <a href="#">provider</a> for the difference between the <a href="#">provider's charge</a> and what your <a href="#">plan</a> pays ( <a href="#">balance billing</a> ). Be aware your <a href="#">network provider</a> might use an <a href="#">out-of-network provider</a> for some services (such as lab work). Check with your <a href="#">provider</a> before you get services.
Do you need a <a href="#">referral</a> to see a <a href="#">specialist</a> ?	Yes.	If a PCP referral is needed, your member ID card will say "PCP Referral Required." Please consult with your PCP to determine if the service you are seeking requires a referral. This <a href="#">plan</a> will pay some or all of the costs to see a <a href="#">specialist</a> for covered services but only if you have a <a href="#">referral</a> before you see the <a href="#">specialist</a> .

 All [copayment](#) and [coinsurance](#) costs shown in this chart are after your [deductible](#) has been met, if a [deductible](#) applies.
