

## Direct Bronze 3550 with Coinsurance Benefit and Cost-Sharing Summary

This *Benefit and Cost-Sharing Summary* gives you information about your *Tufts Health Direct Covered Services* and costs you may have to pay. Make sure you review the services you're eligible for under the *Benefit and Cost-Sharing Summary* for your specific *Plan* level. To see which *Tufts Health Direct Plan* level you have, check your *Tufts Health Plan Member ID card*.

Your *Tufts Health Direct Plan* may also have a *Deductible*. A *Deductible* is the amount you pay for certain *Covered Services* in a *Benefit Year* before *Tufts Health Plan* will begin to pay for those *Covered Services*. You are responsible for paying the *Deductible*, *Copayment*, and/or *Coinsurance* amounts listed in this document.

This *Summary* gives you a general understanding of your benefits. If you want more information about your benefits and capitalized terms, see your [Tufts Health Direct Member Handbook](https://tuftshealthplan.com/documents/members/handbooks/direct-member-handbook-2021) (<https://tuftshealthplan.com/documents/members/handbooks/direct-member-handbook-2021>).

**You must go to Providers (doctors, Hospitals, and other health care professionals) who are part of the Tufts Health Direct Provider Network to get services.** For *Primary Care*, you must see the *Primary Care Provider (PCP)* you have on record in the *Member Portal*. Services are only covered for *In-network Providers*, except for *Emergency care* and out of the *Service Area Urgent Care*.

*Out-of-network services* require *Prior Authorization*, except for *Emergency care* and out of the *Service Area Urgent Care*. *Service Area* is all of Massachusetts EXCEPT *Dukes* and *Nantucket Counties*.

Always check [tuftshealthplan.com/find-a-doctor](https://tuftshealthplan.com/find-a-doctor) for the most up-to-date *In-network Provider* information. If you have questions about your *Tufts Health Direct* benefits or you need help locating an *In-network Provider*, call us at **888.257.1985** (TTY: 711).

### ANNUAL COMBINED DEDUCTIBLE

Individual	\$3,550
------------	---------

Family	\$7,100
--------	---------

### ANNUAL COMBINED OUT-OF-POCKET MAXIMUM

Individual	\$8,550
------------	---------

Family	\$17,100
--------	----------

*Deductible*, *Coinsurance* and *Copayments* apply toward your *Out-of-pocket Maximum*. The family *Deductible* and *Out-of-pocket Maximum* on this *Plan* have embedded individual *Deductibles* and out of pocket maximums, meaning the individual *Deductible* and *Out-of-pocket Maximum* above applies to each individual *Member* of the family. This ensures that no single *Member* on a family *Plan* will ever have to satisfy the full family *Deductible* or *Out-of-pocket Maximum* on their own. Once any combination of family *Members* meets the family *Deductible* and/or *Out-of-pocket Maximum*, the entire family is considered to have met the *Deductible* and/or *Out-of-pocket Maximum*.
