## Benefit and Cost-Sharing Summary

This *Benefit and Cost-Sharing Summary* gives you information about your Tufts Health Direct Covered Services and costs you may have to pay. Make sure you review the services you're eligible for under the *Benefit and Cost-Sharing Summary* for your specific Plan level. To see which Tufts Health Direct Plan level you have, check your Tufts Health Plan Member ID card.

Your Tufts Health Direct Plan may also have a *Deductible*. A *Deductible* is the amount you pay for certain Covered Services in a *Benefit Year* before Tufts Health Plan will begin to pay for those Covered Services. You are responsible for paying the *Deductible*, *Copayment*, and/or *Coinsurance* amounts listed in this document.

This *Summary* gives you a general understanding of your benefits. If you want more information about your benefits and capitalized terms, see your [Tufts Health Direct Member Handbook](https://tuftshealthplan.com/documents/members/handbooks/direct-member-handbook-2021) (<https://tuftshealthplan.com/documents/members/handbooks/direct-member-handbook-2021>).

**You must go to Providers (doctors, Hospitals, and other health care professionals) who are part of the Tufts Health Direct Provider Network to get services.** For *Primary Care*, you must see the *Primary Care Provider (PCP)* you have on record in the *Member Portal*. Services are only covered for *In-network Providers*, except for *Emergency care* and out of the *Service Area Urgent Care*.

*Out-of-network services* require *Prior Authorization*, except for *Emergency care* and out of the *Service Area Urgent Care*. *Service Area* is all of Massachusetts EXCEPT *Dukes* and *Nantucket Counties*.

Always check [tuftshealthplan.com/find-a-doctor](https://tuftshealthplan.com/find-a-doctor) for the most up-to-date *In-network Provider* information. If you have questions about your Tufts Health Direct Benefits or you need help locating an *In-network Provider*, call us at **888.257.1985** (TTY: 711).

### ANNUAL COMBINED DEDUCTIBLE

<b>Individual</b>	\$0
-------------------	-----

<b>Family</b>	\$0
---------------	-----

### ANNUAL COMBINED OUT-OF-POCKET MAXIMUM

<b>Individual</b>	\$3,000
-------------------	---------

<b>Family</b>	\$6,000
---------------	---------

*Deductible*, *Coinsurance* and *Copayments* apply toward your *Out-of-pocket Maximum*. The family *Deductible* and *Out-of-pocket Maximum* on this Plan have embedded individual *Deductibles* and out of pocket maximums, meaning the individual *Deductible* and *Out-of-pocket Maximum* above applies to each individual *Member* of the family. This ensures that no single *Member* on a family Plan will ever have to satisfy the full family *Deductible* or *Out-of-pocket Maximum* on their own. Once any combination of family *Members* meets the family *Deductible* and/or *Out-of-pocket Maximum*, the entire family is considered to have met the *Deductible* and/or *Out-of-pocket Maximum*.
