## **Schedule of Benefits**

This Schedule of Benefits gives you information about your Tufts Health Direct Covered Services and costs you may have to pay. Make sure you review the services you are eligible for under the Schedule of Benefits for your specific Plan. To see which Tufts Health Direct Plan you have, check your Tufts Health Plan Member ID Card.

If you want more information about your benefits and capitalized terms, see your Tufts Health Direct Member Handbook <u>tuftshealthplan.com/documents/members/handbooks/direct-member-handbook-2025</u>.

You must go to Providers who are part of the Tufts Health Direct Provider Network to get services. Out-ofnetwork services require Prior Authorization, except for Emergency care and out of the Service Area Urgent Care. For Primary Care, you must see the Primary Care Provider (PCP) you have on record in the Member Portal.

If you have questions about your Tufts Health Direct benefits or you need help locating an In-network Provider, call us at 888-257-1985 (TTY: 711).

You are responsible for paying the Deductible, Copayment, and/or Coinsurance amounts listed in this document. Deductible, Coinsurance and Copayments apply toward your Out-of-pocket Maximum.
