CERTIFICATE OF INSURANCE

This booklet is your CERTIFICATE OF INSURANCE for health benefits underwritten by Tufts Insurance Company ("TIC"). TIC has entered into an agreement with Tufts Benefit Administrators ("TBA") for TBA to administer the health benefits and make available a network of PROVIDERS described in this CERTIFICATE. Both TIC and Tufts Benefit Administrators ("TBA") do business under the name of TUFTS HEALTH PLAN ("TUFTS HP").

NETWORK PROVIDERS are hospitals, community-based physicians and other community-based health care professionals working in their own offices throughout the NETWORK CONTRACTING AREA. TUFTS HEALTH PLAN does not provide health care services to MEMBERS. NETWORK PROVIDERS provide health care services to MEMBERS. These PROVIDERS are independent contractors and are not the employees or agents of TUFTS HEALTH PLAN for any purposes.

This CERTIFICATE describes the benefits, exclusions, conditions and limitations provided under the GROUP CONTRACT or INDIVIDUAL CONTRACT to persons covered under the GROUP CONTRACT or INDIVIDUAL CONTRACT and replaces any CERTIFICATE previously issued to you. You should read this CERTIFICATE for a complete description of benefits and an understanding of how the preferred provider plan works.

Introduction

Welcome to TUFTS HEALTH PLAN. With TUFTS HEALTH PLAN, each time you need health care services, you may choose to obtain your health care from either a NETWORK PROVIDER (IN-NETWORK LEVEL OF BENEFITS) or any NON-NETWORK PROVIDER (OUT OF NETWORK LEVEL OF BENEFITS). Your choice will determine the level of benefits you receive for your health care services:

IN-NETWORK LEVEL OF BENEFITS: If your care is provided by a NETWORK PROVIDER, you will be covered at the IN-NETWORK LEVEL OF BENEFITS. (In the event you require INPATIENT behavioral health or INPATIENT substance use disorder services, you may go to any NETWORK HOSPITAL and receive coverage at the IN-NETWORK LEVEL OF BENEFITS. See INPATIENT Behavioral Health and Substance Use Disorder Services in Chapter 1 for more information.)

OUT OF NETWORK LEVEL OF BENEFITS: If your care is provided by a NON-NETWORK PROVIDER, you will be covered at the OUT OF NETWORK LEVEL OF BENEFITS. (In the case of INPATIENT behavioral health and INPATIENT substance use disorder services, if you go to any facility which is not a NETWORK HOSPITAL, your coverage will be at the OUT OF NETWORK LEVEL OF BENEFITS. See INPATIENT Behavioral Health and Substance Use Disorder Services in Chapter 1 for more information.)

COVERED SERVICES Outside of the 50 United States: EMERGENCY care services provided to you outside of the 50 United States qualify as COVERED SERVICES. Urgent care services while traveling outside of the 50 United States also qualify as COVERED SERVICES. However, any other service, supply, or medication provided to you outside of the 50 United States is excluded under this plan.

For additional information about these tiers of benefits and how to receive covered health care services, please see Chapter 1. If you have any questions, please call TUFTS HEALTH PLAN Member Services.

PLEASE READ THIS CERTIFICATE OF INSURANCE CAREFULLY.

The benefit schedule later in this section tells you which benefits are subject to the IN-NETWORK DEDUCTIBLE:and other COST SHARING AMOUNTS you pay under this plan.

Chapter 1- How Your Preferred PROVIDER Plan Works

Eligibility for Benefits

When you need health care services, you may choose to obtain these services from either a NETWORK PROVIDER (IN-NETWORK LEVEL OF BENEFITS); or a NON-NETWORK PROVIDER (OUT-OF-NETWORK LEVEL OF BENEFITS). Your choice will determine the level of benefits you receive for your health care services. TUFTS HEALTH PLAN covers only the services and supplies described as COVERED SERVICES in Chapter 3.

Important Notes:

- There are no pre-existing condition limitations under this plan. You are eligible to use your benefits as of your EFFECTIVE DATE.
- In accordance with federal law (45 CFR § 148.180), TUFTS HEALTH PLAN does not:
 - adjust PREMIUMS based on genetic information;
 - request or require genetic testing; or
 - collect genetic information from an individual prior to, or in connection with enrollment in a plan, or at any time for underwriting purposes.
- If you live outside of Massachusetts and are a MEMBER under a GROUP CONTRACT, your benefits under this plan may also include benefits required under applicable state law. For more information, please call a Member Services Coordinator.

IN-NETWORK LEVEL OF BENEFITS

If your care is provided by a NETWORK PROVIDER, or if you seek care at a LIMITED SERVICE MEDICAL CLINIC or URGENT CARE CENTER that participates with TUFTS HEALTH PLAN, you are entitled to coverage for COVERED SERVICES at the IN-NETWORK LEVEL OF BENEFITS.

IN-NETWORK LEVEL OF BENEFITS

You pay a COPAYMENT for certain COVERED SERVICES you receive at the IN-NETWORK LEVEL OF BENEFITS. For more information about your MEMBER costs for medical services, see "Benefit Overview" at the front of this CERTIFICATE.

When a NETWORK PROVIDER provides your care, you do not have to submit any claim forms. The claim forms are submitted to TUFTS HEALTH PLAN by the NETWORK PROVIDER.

Selecting a PROVIDER

In order to receive coverage at the IN-NETWORK LEVEL OF BENEFITS, you must receive care from a NETWORK PROVIDER listed in the DIRECTORY OF NETWORK PROVIDERS. You should choose a PROVIDER who is in a location convenient to you. If you have difficulty or need assistance in finding a PROVIDER, call our Member Services Department.

Notes:

- Under certain circumstances required by law, if your PROVIDER is not a NETWORK PROVIDER, you will be covered for a short period of time for services provided by that PROVIDER. A Member Representative can give you more information. Please see "Continuity of Care" later in this chapter.
- For additional information about a NETWORK PROVIDER or specialist, the Massachusetts Board of Registration in Medicine provides information about physicians licensed to practice in Massachusetts. You may reach the Board of Registration at (800) 377-0550 or www.mass.gov/massmedboard.

No INPATIENT NOTIFICATION by You

As long as your INPATIENT hospitalization is provided by a NETWORK PROVIDER, you are not responsible for notifying us of the INPATIENT hospitalization or transfer to another hospital. Your NETWORK PROVIDER will notify us of the hospitalization or transfer for you. See "INPATIENT NOTIFICATION" later in this chapter for more information.

Canceling Appointments

If you have to cancel an appointment with any NETWORK PROVIDER, always give him or her as much notice as possible, but at least 24 hours. If the NETWORK PROVIDER's office policy is to charge for missed appointments that were not canceled in advance, you will have to pay the charges. We will not pay for missed appointments which you did not cancel in advance.

Changes to PROVIDER network

TUFTS HEALTH PLAN offers MEMBERS access to an extensive network of physicians, hospitals, and other PROVIDERS throughout the NETWORK CONTRACTING AREA. NETWORK PROVIDERS may change during the year.

This can happen for many reasons, including a PROVIDER's retirement, moving out of the NETWORK CONTRACTING AREA, or failure to continue to meet credentialing standards. In addition, because PROVIDERS are independent contractors, this can also happen if the PROVIDER does not reach agreement on a network contract.

If you have any questions about the availability of a PROVIDER, please call Member Services.

OUT-OF-NETWORK LEVEL OF BENEFITS

OUT-OF-NETWORK LEVEL OF BENEFITS

If a NETWORK PROVIDER does not provide your care, you are entitled to coverage for COVERED SERVICES at the OUT-OF-NETWORK LEVEL OF BENEFITS. You pay a DEDUCTIBLE and COINSURANCE for certain COVERED SERVICES you receive at the OUT-OF-NETWORK LEVEL OF BENEFITS. For more information about your MEMBER costs for medical services, see "Benefit Overview" at the front of this document.

Please note that you must submit a claim form for each service that is provided by a NON-NETWORK PROVIDER. For information on filing claim forms, see Chapter 6.

COVERED SERVICES Not Available from a NETWORK PROVIDER

If a COVERED SERVICE is not available from a NETWORK PROVIDER, as determined by TUFTS HEALTH PLAN, with our approval you may go to a NON-NETWORK PROVIDER and receive COVERED SERVICES at the IN-NETWORK LEVEL OF BENEFITS up to the REASONABLE CHARGE. You are responsible for any costs in excess of the REASONABLE CHARGE, as well as any applicable COST SHARING AMOUNT. You may receive a bill for these services. If you receive a bill, please see "Bills from PROVIDERS" later in this CERTIFICATE or call Member Services for more information about what to do if you receive a bill.

INPATIENT NOTIFICATION by You

If you receive INPATIENT services which are not provided by a NETWORK PROVIDER, you must notify TUFTS HEALTH PLAN of these services. If you do not notify TUFTS HEALTH PLAN of these services, you will be subject to a NOTIFICATION PENALTY. See "INPATIENT NOTIFICATION" later in this chapter for more information.

COVERED SERVICES Outside of the 50 United States

EMERGENCY care services provided to you outside of the 50 United States qualify as COVERED SERVICES. URGENT CARE services provided to you while you are traveling outside of the 50 United States also qualify as COVERED SERVICES. However, any other service, supply, or medication provided to you outside of the 50 United States is excluded under this plan.

Continuity of Care

If you are an existing MEMBER

If your PROVIDER is involuntarily disenrolled from TUFTS HEALTH PLAN for reasons other than quality or fraud, you may continue to see your PROVIDER for COVERED SERVICES at the IN-NETWORK LEVEL OF BENEFITS in the following circumstances:

- Pregnancy. If you are in your second or third trimester of pregnancy, you may continue to see your PROVIDER through your first postpartum visit.
- Terminal Illness. If you are terminally ill (having a life expectancy of 6 months or less), you may continue to see your PROVIDER as long as necessary.

If you are enrolling as a new MEMBER

When you enroll as a MEMBER, if none of the health plans offered by the GROUP at that time include your PROVIDER, you may continue to see your PROVIDER if:

- you are undergoing a course of treatment. In this instance, you may continue to see your PROVIDER and receive COVERED SERVICES at the IN-NETWORK LEVEL OF BENEFITS from that PROVIDER for up to 30 days from your EFFECTIVE DATE;
- you are in your second or third trimester of pregnancy. In this instance, you may continue to see your PROVIDER and receive COVERED SERVICES at the IN-NETWORK LEVEL OF BENEFITS from that PROVIDER through your first postpartum visit; or
- you are terminally ill. In this instance, you may continue to see your PROVIDER and receive COVERED SERVICES at the IN-NETWORK LEVEL OF BENEFITS from that PROVIDER as long as necessary.

Conditions for coverage of continued treatment

TUFTS HEALTH PLAN may condition coverage of continued treatment upon the PROVIDER's agreement:

- to accept reimbursement from TUFTS HEALTH PLAN at the rates applicable prior to notice of disenrollment as payment in full and not to impose cost sharing with respect to a MEMBER in an amount that would exceed the cost sharing that could have been imposed if the PROVIDER has not been disenrolled;
- to adhere to the quality assurance standards of TUFTS HEALTH PLAN and to provide us with necessary medical information related to the care provided; and
- to adhere to TUFTS HEALTH PLAN's policies and procedures, including procedures regarding referrals, obtaining prior authorization, and providing services pursuant to a treatment plan, if any, approved by TUFTS HEALTH PLAN.

INPATIENT Behavioral Health/Substance Use Disorder Services

IN-NETWORK LEVEL OF BENEFITS: If you require INPATIENT or intermediate behavioral health or substance use disorder services and wish to receive coverage for these services at the IN-NETWORK LEVEL OF BENEFITS, your INPATIENT or intermediate behavioral health or substance use disorder services must be provided by a NETWORK HOSPITAL. You may go to any NETWORK HOSPITAL and receive coverage at the IN-NETWORK LEVEL OF BENEFITS. There is no need to contact TUFTS HEALTH PLAN first. Simply call or go directly to any NETWORK HOSPITAL. Identify yourself as a TUFTS HEALTH PLAN MEMBER. The NETWORK HOSPITAL is responsible for providing all INPATIENT/intermediate behavioral health and substance use disorder services. You are not responsible for notifying TUFTS HEALTH PLAN of your admission at a NETWORK HOSPITAL.

OUT-OF-NETWORK LEVEL OF BENEFITS: If you wish to receive INPATIENT or intermediate behavioral health or substance use disorder services at a PROVIDER that is not a NETWORK HOSPITAL, your coverage will be at the OUT-OF-NETWORK LEVEL OF BENEFITS. Coverage at the OUT-OF-NETWORK LEVEL OF BENEFITS means that you pay a DEDUCTIBLE and COINSURANCE and are responsible for notifying TUFTS HEALTH PLAN of your admission. In order to receive care for INPATIENT or intermediate behavioral health or substance use disorder services at the OUT-OF-NETWORK LEVEL OF BENEFITS, you must receive authorization from an AUTHORIZED REVIEWER. Please call the TUFTS HEALTH PLAN Behavioral Health Department at 1-800-208-9565 for more information on how to receive this authorization.

EMERGENCY Admission to a NON-NETWORK HOSPITAL

If you are admitted in an EMERGENCY to a NON-NETWORK HOSPITAL, you will be covered at the IN-NETWORK LEVEL OF BENEFITS as long as you notify TUFTS HEALTH PLAN within 48 hours of the admission. Once it is determined that transfer to a NETWORK HOSPITAL is medically appropriate, you will be transferred to a NETWORK HOSPITAL. If you choose not to accept the transfer and to remain at the NON-NETWORK HOSPITAL, then your coverage as of that time will revert to the OUT-OF-NETWORK LEVEL OF BENEFITS.

EMERGENCY Care

EMERGENCY Care

To receive EMERGENCY care

If you are experiencing an EMERGENCY, you should seek care at the nearest EMERGENCY facility. If needed, call 911 for EMERGENCY medical assistance. If 911 services are not available in your area, call the local number for EMERGENCY medical services.

OUTPATIENT EMERGENCY care

If you receive EMERGENCY services but are not admitted as an INPATIENT, you will be covered at the IN-NETWORK LEVEL OF BENEFITS. You will be required to pay a COST SHARING AMOUNT for each EMERGENCY room visit.

If you receive EMERGENCY COVERED SERVICES from a NON-NETWORK HOSPITAL you pay the applicable COST SHARING AMOUNT, in addition to any amount in excess of the REASONABLE CHARGE. You may receive a bill for these services. Please see "Bills from PROVIDERS" in Chapter 6 or call Member Services for more information about what to do if you receive a bill

INPATIENT EMERGENCY care

If you receive EMERGENCY services and are admitted as an INPATIENT, you or someone acting for you must notify TUFTS HEALTH PLAN within 48 hours of seeking care in order to be covered at the IN-NETWORK LEVEL OF BENEFITS. (Notification from the attending PROVIDER satisfies this requirement.) Otherwise, coverage for these services will be provided at the OUT-OF-NETWORK LEVEL OF BENEFITS.

Also, if you are admitted as an INPATIENT to a hospital that is a NON-NETWORK PROVIDER after receiving EMERGENCY care, an INPATIENT COST SHARING AMOUNT will apply. In addition you must notify TUFTS HEALTH PLAN of the admission or you will be charged a NOTIFICATION PENALTY. INPATIENT NOTIFICATION guidelines are described later in this chapter.

Financial Arrangements between TUFTS HEALTH PLAN and NETWORK PROVIDERS

Methods of payment to NETWORK PROVIDERS

TUFTS HEALTH PLAN's goal in compensation of PROVIDERS is to encourage preventive care and active management of illnesses. TUFTS HEALTH PLAN strives to be sure that the financial reimbursement system we use encourages appropriate access to care and rewards PROVIDERS for providing high quality care to our MEMBERS. TUFTS HEALTH PLAN uses a variety of mutually agreed upon methods to compensate NETWORK PROVIDERS .

The DIRECTORY OF HEALTH CARE PROVIDERS indicates the method of payment for each PROVIDER. Regardless of the method of payment, TUFTS HEALTH PLAN expects all participating PROVIDERS to use sound medical judgment when providing care and when determining whether a referral for specialty care is appropriate. This approach encourages the provision of MEDICALLY NECESSARY care and reduces the number of unnecessary medical tests and procedures which can be both harmful and costly to MEMBERS.

You should feel free to discuss specific questions about how he or she is paid with your PROVIDER.

Member Identification Card

Introduction

TUFTS HEALTH PLAN gives each MEMBER a member identification card (Member ID card).

Reporting errors

When you receive your Member ID card, check it carefully. If any information is wrong, call a Member Representative .

Identifying yourself as a TUFTS HEALTH PLAN MEMBER

Your Member ID card is important because it identifies you as a TUFTS HEALTH PLAN MEMBER. Please:

- carry your Member ID card at all times;
- have your Member ID card with you for medical, hospital and other appointments; and
- show your Member ID card to any PROVIDER before you receive health care services.

When you receive services, you must tell the office staff that you are a TUFTS HEALTH PLAN MEMBER.

Membership requirement

You are eligible for benefits if you are a MEMBER when you receive care. A Member ID card alone is not enough to get you benefits. If you receive care when you are not a MEMBER, you are responsible for the cost.

Membership identification number

If you have any questions about your member identification number, please call a TUFTS HEALTH PLAN Member Representative .

Utilization Management

Utilization management

The purpose of the utilization management program is to control health care costs by evaluating whether health care services provided to MEMBERS are **MEDICALLY NECESSARY** and provided in the most appropriate and efficient manner. This program sometimes includes prospective, concurrent, and retrospective review of health care services.

Prospective review is used to determine whether proposed treatment is **MEDICALLY NECESSARY** before that treatment begins. It is also referred to as "Pre-Service Review".

Concurrent review is used to monitor the course of treatment as it occurs and to determine when that treatment is no longer **MEDICALLY NECESSARY**.

Retrospective review is used to evaluate care after the care has been provided. In certain circumstances, retrospective review is used to more accurately determine the appropriateness of health care services provided to MEMBERS. It is also referred to as "Post-Service Review".

TIMEFRAMES FOR TUFTS HEALTH PLAN TO REVIEW YOUR REQUEST FOR COVERAGE

Type of Review	Timeframe for Determinations*
Prospective (Pre-service) review	Within 2 working days of receiving all necessary information but no later than 15 days from receipt of the request.
Concurrent review	Within 1 working day of receiving all necessary information.
Retrospective (Post-service) review	30 days

*See Appendix B for determination procedures under the Department of Labor's (DOL) Regulations.

If your request for coverage is denied, you have the right to file an appeal. See Chapter 6 for information on how to file an appeal.

We make coverage determinations. You and your PROVIDER make all treatment decisions.

IMPORTANT NOTE:

To determine the status or outcome of utilization review decisions, MEMBERS can call TUFTS HEALTH PLAN at the following numbers:

- behavioral health or substance use disorder utilization review decisions – 1-800-208-9565;
- All other utilization review decisions - 1-800-423-8080.

Care Management

Some MEMBERS with Severe Illnesses or Injuries may warrant care management intervention under our case management program. Under this program, use of the most appropriate and cost-effective treatment is encouraged and the MEMBERS's treatment and progress is supported.

If a MEMBER is identified by us an appropriate candidate for care management or referred to the program, the MEMBER and his or her NETWORK PROVIDER may be contacted to discuss a treatment plan and establish prioritized goals. A Complex Care Manager may suggest alternative services or supplies available to the MEMBER.

The MEMBERS's treatment plan may be periodically reviewed. The MEMBER and the MEMBER's NETWORK PROVIDER will be contacted if alternatives to the MEMBERS's current treatment plan are identified that qualify as COVERED SERVICES are cost effective and are appropriate for the MEMBER.

A Severe Illness or Injury may include, but is not limited to, the following:

- high-risk pregnancy and newborn CHILDREN;
- serious heart or lung disease;
- cancer;
- certain neurological diseases;
- AIDS or other immune system diseases;
- severe traumatic injury.

Individual case management (ICM)

In certain circumstances, we may authorize an individual case management ("ICM") plan for a MEMBER with a Severe Illness or Injury who is already participating in the care management program. The ICM plan is designed to arrange for the most appropriate health care services and supplies for the MEMBER.

As a part of the ICM plan, we may authorize coverage for certain alternative services and supplies that do not otherwise constitute COVERED SERVICES for that MEMBER. This will occur only if TUFTS HEALTH PLAN determines, in its sole discretion, that all of the following conditions are satisfied:

- the MEMBER's condition is expected to require medical treatment for an extended duration;
- the alternative services and supplies are **MEDICALLY NECESSARY** to treat the MEMBER's condition;
- the alternative services and supplies are provided directly to the MEMBER with the condition;
- the alternative services and supplies are provided in place of or to prevent more expensive services or supplies that the Member otherwise might have incurred during the current episode of illness;
- the MEMBER and an **AUTHORIZED REVIEWER** agree to the alternative treatment program; and
- the MEMBER continues to show improvement in his or her condition, as determined periodically by an **AUTHORIZED REVIEWER**.

TUFTS HEALTH PLAN will periodically monitor the appropriateness of the alternative services and supplies provided to the MEMBER. If, at any time, these services and supplies fail to satisfy any of the conditions described above, TUFTS HEALTH PLAN may modify or terminate coverage for the services or supplies provided pursuant to the ICM plan at our sole discretion. Please note that ICM plans are not used to authorize services or supplies that are specifically excluded under the MEMBERS's plan or that fall within the parameters of the Utilization Review program described above and do not meet the relevant **MEDICALLY NECESSARY** criteria for authorization.

AUTHORIZED REVIEWER Approval

Prior approval by an **AUTHORIZED REVIEWER** is required for certain **COVERED SERVICES**. **COVERED SERVICES** that require this approval are identified by (AR) in the "Benefit Overview".

- If you receive these services from a **NETWORK PROVIDER**, the **PROVIDER** is responsible for obtaining approval from **TUFTS HEALTH PLAN**.
- If your services are not provided by a **NETWORK PROVIDER**, you are responsible for obtaining prior approval from an **AUTHORIZED REVIEWER**. If prior approval is not received, **TUFTS HEALTH PLAN** will not cover those services and supplies. In addition, if you receive services that **TUFTS HEALTH PLAN** determines are not **COVERED SERVICES**, you will be responsible for the cost of those services.

For more information about how to obtain this prior approval, please call Member Services.

If a request for coverage is denied, you have a right to appeal. Please see Chapter 6, "How to File a Claim and Member Satisfaction Process", for information on how to file an appeal.

Services that you receive in an **EMERGENCY** do not require the prior approval of an **AUTHORIZED REVIEWER**.

INPATIENT NOTIFICATION (formerly known as PREREGISTRATION)

INPATIENT NOTIFICATION is a process that makes **TUFTS HEALTH PLAN** aware of all **INPATIENT** admissions and transfers to another hospital. We will evaluate the anticipated hospital stay, your proposed medical care, verify **MEDICAL NECESSITY**, and assess the need for a care management program after discharge or recommend an alternative treatment setting.

The **INPATIENT NOTIFICATION** to **TUFTS HEALTH PLAN** by your **PROVIDER** does not guarantee payment. We are not obligated to pay claims for persons who fail to meet eligibility criteria, who receive care that is determined not to be **MEDICALLY NECESSARY**, or if the claim is not for a **COVERED SERVICE**.

When Care is Provided by a NETWORK PROVIDER

When a NETWORK PROVIDER is directing your care (or, in the case of INPATIENT behavioral health or INPATIENT substance use disorder, a NETWORK HOSPITAL), he or she is responsible to notify TUFTS HEALTH PLAN for your INPATIENT admission or transfer. In this case, you do not need to notify us of the admission or transfer.

When Care is Not Provided by a NETWORK PROVIDER

When your care is not authorized by a NETWORK PROVIDER (or, when you receive care for INPATIENT behavioral health or INPATIENT substance use disorder at a NETWORK HOSPITAL), you are responsible to notify TUFTS HEALTH PLAN of any INPATIENT admission or transfer.

If you do not notify TUFTS HEALTH PLAN, you will have to pay a NOTIFICATION PENALTY in addition to the DEDUCTIBLE and COINSURANCE. (Please see "Benefit Overview" at the front of the CERTIFICATE for the amount of the NOTIFICATION PENALTY.) Please read carefully the following description of the INPATIENT NOTIFICATION process that you must complete when a NETWORK PROVIDER is not directing your care.

Note: If the GROUP does not have a NOTIFICATION PENALTY, this provision does not apply to you. Please see "Benefit Overview" at the front of the CERTIFICATE to determine if an NOTIFICATION PENALTY applies to you.

How to Notify TUFTS HEALTH PLAN of a Hospital Admission

Call the Member Services number on your ID card to report your hospital admission. You, or someone acting on your behalf, will need to provide the following information:

- Patient name, address and phone number (work and home)
- Hospital name, address and phone number
- Member identification number (from your Member ID card)
- Employer
- Diagnosis and proposed procedure
- Proposed admission and discharge dates
- Admitting PROVIDER's name, address and phone number

When to Notify TUFTS HEALTH PLAN for Elective Hospitalization or Transfers

Notification to TUFTS HEALTH PLAN for elective hospitalizations or transfers must occur at least five (5) days prior to hospitalization. After you call TUFTS HEALTH PLAN, we may consult with your PROVIDER and will notify you or your PROVIDER of the determination of the admission and the anticipated hospital stay or will recommend an alternative treatment setting.

When to Notify TUFTS HEALTH PLAN for an URGENT or EMERGENCY Admission

Notification to TUFTS HEALTH PLAN for an urgent admissions should be completed as soon as possible, but no later than one business day after the admission. An urgent admission is one which requires prompt medical intervention but one in which there is a reasonable opportunity to notify TUFTS HEALTH PLAN prior to, or at the time of, admission. Notification for an EMERGENCY admission should be completed within one business day following the admission. For a definition of EMERGENCY, see Appendix A.

When to Notify TUFTS HEALTH PLAN for Deliveries

Notification to TUFTS HEALTH PLAN for delivery of your newborn CHILD should occur within 30 days of your due-date.

When to Notify TUFTS HEALTH PLAN for a Newborn CHILD

- In cases where the newborn CHILD leaves the hospital with the mother after delivery, there is no need to notify TUFTS HEALTH PLAN of that newborn CHILD's hospital stay.
- In cases where the newborn CHILD remains in the hospital after the mother is discharged after delivery and the newborn CHILD's care is not provided by NETWORK PROVIDER, you must notify TUFTS HEALTH PLAN immediately of your newborn CHILD's hospital stay. (In order to be covered for any MEDICALLY NECESSARY care, the newborn CHILD must be enrolled under the GROUP CONTRACT or INDIVIDUAL CONTRACT within 30 days after birth. See Chapter 2 for more information. For a description of the Level of Benefits applicable to the newborn CHILD's care, see Chapter 1.)

After You Notify TUFTS HEALTH PLAN of a Hospital Admission

After you call us with the necessary admission information, your PROVIDER or the hospital will be notified of the decision made by TUFTS HEALTH PLAN.

Changes to Hospital Admission Information

Notification of your hospital admission is valid only for the diagnosis, procedure, admission date and medical facility specified at the time of the notification. We must be notified of any delays, changes or cancellations of your proposed admission. A separate notification to TUFTS HEALTH PLAN must be obtained for a new admission date, readmission, hospitalization, transfer or surgery for conditions other than those designated during the initial hospital admission.

If you do not notify us of changes, you will be required to pay a NOTIFICATION PENALTY for that admission. See "Benefit Overview" at the front of the CERTIFICATE for the amount of the NOTIFICATION PENALTY.

Extension of Hospitalization

All (INPATIENT hospitalizations are monitored. When it is MEDICALLY NECESSARY to extend hospitalization beyond the originally determined stay, TUFTS HEALTH PLAN staff will request additional clinical information from your attending PROVIDER or hospital for additional MEDICALLY NECESSARY hospital days.

Note: If the review team, after conferring with your PROVIDER, determines that INPATIENT hospitalization is no longer MEDICALLY NECESSARY, you will be notified that any additional hospital days will not be covered and that you will be responsible to pay for all hospital and physician charges if you choose to remain in the hospital beyond the discharge date.

When to enroll

You may enroll yourself and your eligible DEPENDENTS, if any, for this coverage only:

- during the annual OPEN ENROLLEMENT PERIOD; or
- within the 30 days of the date you or your DEPENDENT is first eligible for this coverage.

Note: If you fail to enroll for this coverage when first eligible, you may be eligible to enroll yourself and your eligible DEPENDENTS, if any, at a later date. This will apply only if you:

- declined this coverage when you were first eligible because you or your eligible DEPENDENT were covered under another group health plan or other health care coverage at that time; or

A DEPENDENT's coverage cannot start before the SUBSCRIBER's coverage starts.

If you or your enrolled DEPENDENT is an INPATIENT on your EFFECTIVE DATE, your coverage starts on the later of:

- the EFFECTIVE DATE, or
- the date we are notified and given the chance to manage your care.

Adding DEPENDENTS under FAMILY COVERAGE

When DEPENDENTS may be added

After you enroll, you may apply to add any DEPENDENTS who are not currently enrolled in TUFTS HEALTH PLAN only:

 - a DEPENDENT moves into the NETWORK CONTRACTING AREA, or

Give the form to your GROUP (if you are enrolled in a GROUP CONTRACT) or to TUFTS HEALTH PLAN (if you have an INDIVIDUAL CONTRACT), either during your OPEN ENROLLMENT PERIOD or within 30 days after the date of an event listed above, under "When DEPENDENTS may be added."

If you don't have FAMILY COVERAGE, ask your GROUP or TUFTS HEALTH PLAN, whichever applies, to change your INDIVIDUAL COVERAGE to FAMILY COVERAGE and then follow the procedure above.

EFFECTIVE DATE of DEPENDENTS' coverage

If we accept your application to add DEPENDENTS, we will send you a Member ID card for each DEPENDENT.

EFFECTIVE DATES will be no later than:

- the date of the CHILD's birth, adoption or placement for adoption; or
- in the case of marriage or loss of prior coverage, the date of the qualifying event.

Availability of benefits after enrollment

COVERED SERVICES for an enrolled DEPENDENT are available as of the DEPENDENT's EFFECTIVE DATE. There are no waiting periods. Maternity benefits are available even if the pregnancy began before your EFFECTIVE DATE.

Note: We will only pay for COVERED SERVICES which are provided on or after your EFFECTIVE DATE.

Newborn CHILDREN and ADOPTIVE CHILDREN

Importance of enrolling newborn CHILDREN and ADOPTIVE CHILDREN

You must enroll your newborn CHILD within 30 days after the CHILD's birth for the CHILD to be covered from birth. Otherwise, you must wait until the next OPEN ENROLLMENT PERIOD to enroll the CHILD.

You must enroll your ADOPTIVE CHILD within 30 days after the CHILD has been adopted or placed for adoption with you for that CHILD to be covered from the date of his or her adoption. Otherwise, you must wait until the next OPEN ENROLLMENT PERIOD to enroll the CHILD.

Continuing Eligibility for DEPENDENTS

When Coverage ends

DEPENDENT coverage for a CHILD ends on the last day of the month in which the CHILD's 26th birthday occurs.

Coverage after termination

When a CHILD loses coverage under this CERTIFICATE, he or she may be eligible for federal or state continuation or to enroll in INDIVIDUAL COVERAGE. See Chapter 5 for more information.

What the SUBSCRIBER must do to continue coverage for DISABLED DEPENDENTS

- 1 About 30 days before the CHILD no longer meets the definition of DEPENDENT, call Member Services.
- 2 Give proof, acceptable to us, of the CHILD's disability.

When coverage ends

DISABLED DEPENDENT coverage ends when:

- the DEPENDENT no longer meets the definition of DISABLED DEPENDENT, or
- the SUBSCRIBER fails to give us proof of the DEPENDENT's continued disability.

Coverage after termination

The former DISABLED DEPENDENT may be eligible for federal or state continuation coverage or to enroll in coverage under an INDIVIDUAL CONTRACT. See Chapter 5 for more information.

Rule for former SPOUSES for GROUP CONTRACTS (Also see Chapter 5)

If you and your SPOUSE divorce or legally separate, your former SPOUSE may continue coverage as a DEPENDENT under your FAMILY COVERAGE in accordance with Massachusetts law.

Note: If you remarry, your former SPOUSE's coverage as a DEPENDENT under your FAMILY COVERAGE will end. However, your former SPOUSE may continue coverage under an Individual CONTRACT through your employer GROUP. If your former SPOUSE remarries, coverage will end unless continuation is still available under federal law.

We will only pay claims that are for COVERED SERVICES.
- Certain services require the prior approval of an AUTHORIZED REVIEWER at both the IN-NETWORK and OUT OF NETWORK LEVEL OF BENEFITS (see "Benefit Overview" to determine which services require this type of prior approval). Please see Chapter 1 for more information about how this prior approval is obtained at the IN-NETWORK LEVEL OF BENEFITS. If prior approval is not received, we will not cover those services. Please contact Member Services, or, for behavioral health and substance use disorder services, the TUFTS HEALTH PLAN Behavioral Health Department at 1-800-208-9565, for more information.
- INPATIENT NOTIFICATION: You must notify TUFTS HEALTH PLAN of any INPATIENT admissions or hospital transfers provided at the OUT OF NETWORK LEVEL OF BENEFITS. Please see Chapter 1 - INPATIENT NOTIFICATION for more information

Rebates, if any, are reflected in your GROUP's PREMIUM.	

Notes

- If you fill your prescription in a state that allows you to request a brand-name drug even though your physician authorized the generic equivalent, you will pay the applicable tier COST SHARING AMOUNT plus the difference in cost between the brand-name drug and the generic drug.
- You always pay the applicable COST SHARE AMOUNT, even if the cost of the drug is less than the COST SHARING AMOUNT.

COPAYMENT OR COINSURANCE Assistance Programs: Some medications covered under your Prescription Drug benefit may qualify for third party and/or manufacturer cost sharing assistance programs. Such programs are intended to lower your out-of-pocket costs for those prescription drugs by offering you funds to pay all or some of your cost-share or COPAYMENT. Although such programs may assist you in the payment of your cost-share for those drugs, TUFTS HEALTH PLAN will not count any money provided by the manufacturer or third party toward your DEDUCTIBLE (if applicable) or OUT OF POCKET MAXIMUM. Only COST SHARING AMOUNTS that you pay will apply toward your DEDUCTIBLE (if applicable) or OUT OF POCKET MAXIMUM.

TUFTS HEALTH PLAN Pharmacy Management Programs

In order to provide safe, clinically appropriate, cost-effective medications under this Prescription Drug Benefit, we have developed the following Pharmacy Management Programs:

Quantity Limitations Program

We limit the quantity of selected medications that MEMBERS can receive in a given time period, for cost, safety and/or clinical reasons.

Prior Authorization Program:

We restrict the coverage of certain drug products that have a narrow indication for usage, may have safety concerns and/or are extremely expensive, requiring the prescribing PROVIDER to obtain prior approval from us for such drugs.

Step Therapy PA Program

Step therapy is a type of prior authorization program (usually automated) that uses a step-wise approach, requiring the use of the most therapeutically appropriate and cost-effective agents first, before other medications may be covered. MEMBERS must first try one or more medications on a lower step to treat a certain medical condition before a medication on a higher step is covered for that condition.

Designated Specialty Pharmacy Program (Mail Order):

We have designated pharmacies that specialize in providing medications used to treat certain conditions, and are staffed with clinicians to provide support services for MEMBERS. Some medications must be obtained at a specialty pharmacy. Medications may be added to this program from time to time. Designated specialty pharmacies can dispense up to a 30-day supply of medication at one time and it is delivered directly to the MEMBER's home via mail. This is NOT part of the mail order pharmacy benefit. Extended day supplies and COPAYMENT savings do not apply to these designated specialty drugs.

Split Fill Program

This program applies only to certain medications. Medications in the Split Fill Program are dispensed in split fills with less than a month's supply of the medication filled at a time. You will be responsible for paying a pro-rated COST SHARING AMOUNT instead of the full 1-30 day supply COST SHARING AMOUNT. For more information about this program, please call Member Services, or see the Web site at www.tuftshealthplan.com.

Covered Services, continued

Prescription Drug Benefit, continued

Non-Covered Drugs With Suggested Alternatives*:

While TUFTS HEALTH PLAN covers over 4,500 drugs, a small number of drugs (less than 1%) are not covered because there are safe, effective and more affordable alternatives available. These non-covered drugs are listed in Appendix C.

All of the alternative drug products are approved by the U.S. Food and Drug Administration (FDA) and are widely used and accepted in the medical community to treat the same conditions as the medications that are not covered.

*Also referred to as "Prescription Alternative Program".

OnePay Program

Your PROVIDER may prescribe you several medications to treat a single health condition. For some conditions, we may reduce the cost share to one COPAYMENT for these combined medications (if filled at the same time), instead of one Copayment per medication. If applicable to your plan, drugs included in this program are identified on your formulary. MEMBERS taking these medications will be notified of the COPAYMENT reduction.

New-To-Market Drug Evaluation Process:

New-To-Market drug products are reviewed for safety, clinical effectiveness, and cost by the TUFTS HEALTH PLAN's Pharmacy and Therapeutics Committee. We then make a coverage determination based on the Committee's recommendation.

A new drug product will not be covered until this process is completed – usually within 6 months of the drug product's availability.

IMPORTANT NOTES:

- If your PROVIDER feels it is **MEDICALLY NECESSARY** for you to take medications that are restricted under any of the TUFTS HEALTH PLAN Pharmacy Management Programs described above, he or she may submit a request for coverage. We will review the request and provide you with notification of our coverage determination within 72 (seventy-two) hours after receiving the request. We will approve the request if it meets our guidelines for coverage. For more information, call Member Services. Please note: You or your prescribing PROVIDER may request an expedited exception process based on exigent circumstances. We will notify you and your prescribing PROVIDER of our determination no later than 24 hours after receiving such a request. Exigent circumstances exists when a MEMBER: is suffering from a health condition that may seriously jeopardize his or her life, health or ability to regain maximum function; or is undergoing a current course of treatment using a non-formulary drug. Additionally, if Tufts Health Plan denies a standard or expedited exception request for a drug not covered by the plan, you have the option of requesting an external review at the same time as filing an internal appeal. The external review determination must be made within 72 hours for standard requests and 24 hours for expedited requests. Please contact the Tufts Health Plan Appeals and Grievances Department at 888-880-8699, x. 59674 for more information regarding this external option.
- If a request is made to cover medications that are part of the "New-to-Market Drug Evaluation Process" program or the "Non-Covered Drugs with Suggested Alternatives" program, and that request is approved by TUFTS HEALTH PLAN, the medications will generally be covered on the highest tier (e.g., Tier 3 on a 3-tier formulary, Tier-4 on a 4-tier formulary), with some exceptions. Please call Member Services for more information about on which tier your medication is covered.
- The TUFTS HEALTH PLAN Web site has a list of covered drugs with their tiers. We may change a drug's tier during the year. For example, if a brand drug's patent expires, we may change the drug's status by moving the brand drug from Tier-2 to Tier-3 . Many generic drugs are available on Tier - 1.
- If you have questions about your prescription drug benefit, would like to know the tier of a particular drug, or would like to know if your medication is part of a Pharmacy Management Program, check our Web site at www.tuftshealthplan.com , or call a Member Representative .

Filling Your Prescription

Where to Fill Prescriptions:

Chapter 4 - When Coverage Ends

Reasons coverage ends

This coverage is guaranteed renewable to the extent required by federal law (45 C.F.R. 148.122), and may only non-renew or cancel coverage under the plan for the following reasons, when applicable: non-payment of premiums, fraud, market exit, movement outside of the SERVICE AREA, or cessation of bona fide association membership. Specifically, your coverage (including federal COBRA coverage and Massachusetts continuation coverage) ends when any of the following occurs:

- you lose eligibility because you:
 - enrolled under a GROUP CONTRACT and no longer meet your GROUP's or TUFTS HEALTH PLAN's eligibility rules; or
 - enrolled under an INDIVIDUAL CONTRACT and no longer meet your INDIVIDUAL CONTRACT or TUFTS HEALTH PLAN's eligibility rules; or
- you are a SUBSCRIBER or a SPOUSE and you no longer live, work or reside in the NETWORK CONTRACTING AREA*;
- you choose to drop coverage;
- you commit an act of physical or verbal abuse unrelated to your physical or behavioral condition which poses a threat to any PROVIDER, any TUFTS HEALTH PLAN MEMBER, TUFTS HEALTH PLAN or any TUFTS HEALTH PLAN employee;
- you commit an act of misrepresentation or fraud; or
- your GROUP CONTRACT or INDIVIDUAL CONTRACT (whichever applies) with us ends. (For more information, see "Termination of a GROUP CONTRACT and Notice" or "Termination of an INDIVIDUAL CONTRACT" later in this chapter.)

*Note: CHILDREN are not required to live, work or reside in the NETWORK CONTRACTING. In addition, there are a few exceptions in which DEPENDENTS are still eligible for coverage even if they do not live, work or reside in the NETWORK CONTRACTING AREA. However, please note that coverage outside of the NETWORK CONTRACTING AREA is only available at the OUT-OF-NETWORK LEVEL OF BENEFITS. Please see "If you do not live, work or reside in the NETWORK CONTRACTING AREA" in Chapter 2 for more information.

Benefits after termination

TUFTS HEALTH PLAN will not pay for services you receive after your coverage ends even if:

- you were receiving INPATIENT or OUTPATIENT care when your coverage ended; or
- you had a medical condition (known or unknown), including pregnancy, that requires medical care after your coverage ends.

Continuation

Once your coverage ends, you may be eligible to continue your coverage with your GROUP or to enroll in coverage under an INDIVIDUAL CONTRACT. See Chapter 5 for more information.

When a Member is No Longer Eligible

Loss of eligibility

Your coverage ends on the date you no longer meet your GROUP's or TUFTS HEALTH PLAN's eligibility rules.

Important Note: Your coverage will terminate retroactively to the date you are no longer eligible for coverage.

If you no longer live, work or reside in the NETWORK CONTRACTING AREA

If you are a SUBSCRIBER or SPOUSE and you no longer live, work or reside in the NETWORK CONTRACTING AREA, coverage ends as of the date you no longer live, work or reside there*. CHILDREN are not required to live, work or reside in the NETWORK CONTRACTING AREA. However, care outside of the NETWORK CONTRACTING AREA is only available at the OUT OF NETWORK LEVEL OF BENEFITS.

Before you no longer live, work or reside in the NETWORK CONTRACTING AREA, tell your GROUP or call a Member Representative before you no longer live, work or reside there.

For more information about coverage available to you when you no longer live, work or reside in the NETWORK CONTRACTING AREA, contact a Member Representative .

*Note: There are a few other exceptions in which DEPENDENTS are still eligible for coverage even if they live, work or reside outside of the NETWORK CONTRACTING AREA. Please see "If you live, work or reside outside of the NETWORK CONTRACTING AREA" in Chapter 2 for more information.

DEPENDENT Coverage

An enrolled DEPENDENT's coverage ends when the SUBSCRIBER's coverage ends or when the DEPENDENT no longer meets the definition of DEPENDENT, whichever occurs first. Coverage of any CHILD of an enrolled DEPENDENT CHILD ends when the enrolled DEPENDENT CHILD's coverage ends.

You choose to drop coverage

Coverage ends if you decide you no longer want coverage and you meet any qualifying event your GROUP requires. To end your coverage, notify your GROUP (or TUFTS HEALTH PLAN if covered under an INDIVIDUAL CONTRACT) at least 30 days before the date you want your coverage to end. You must pay PREMIUMS up through the day your coverage ends.

Membership Termination for Acts of Physical or Verbal Abuse

Acts of physical or verbal abuse

TUFTS HEALTH PLAN may terminate your coverage if you commit acts of physical or verbal abuse which:

- are unrelated to your physical or behavioral condition;
- pose a threat to any PROVIDER, any TUFTS HEALTH PLAN MEMBER, or TUFTS HEALTH PLAN or any TUFTS HEALTH PLAN employee.

Membership Termination for Misrepresentation or Fraud

Policy

TUFTS HEALTH PLAN may terminate your coverage for misrepresentation or fraud. If your coverage is terminated for misrepresentation or fraud, TUFTS HEALTH PLAN may not allow you to re-enroll for coverage with TUFTS HEALTH PLAN under any other plan (such as a non-group or another employer's plan) or type of coverage (for example, coverage as a DEPENDENT or SPOUSE).

Acts of misrepresentation or fraud

Examples of misrepresentation or fraud include:

- false or misleading information on your application;
- enrolling as a SPOUSE someone who is not your SPOUSE;
- receiving benefits for which you are not eligible;
- keeping for yourself payments made by TUFTS HEALTH PLAN that were intended to be used to pay a PROVIDER;
- abuse of the benefits under this plan, including the resale or transfer of supplies, medications, or equipment provided to you as COVERED SERVICES;
- allowing someone else to use your Member ID;
- submission of any false paperwork, forms, or claims information.

Date of termination

If TUFTS HEALTH PLAN terminates your coverage for misrepresentation or fraud, your coverage will end as of your EFFECTIVE DATE or a later date chosen by TUFTS HEALTH PLAN.

Payment of claims

TUFTS HEALTH PLAN will pay for all COVERED SERVICES you received between:

- your EFFECTIVE DATE; and
- your termination date, as chosen by TUFTS HEALTH PLAN. TUFTS HEALTH PLAN may retroactively terminate your coverage back to a date no earlier than your EFFECTIVE DATE.

TUFTS HEALTH PLAN will use any PREMIUM you paid for a period after your termination date to pay for any COVERED SERVICES you received after your termination date.

If the PREMIUM is not enough to pay for that care, TUFTS HEALTH PLAN, at its option, may:

- pay the PROVIDER for those services and ask you to pay TUFTS HEALTH PLAN back; or
- not pay for those services. In this case, you will have to pay the PROVIDER for the services.

If the PREMIUM is more than is needed to pay for COVERED SERVICES you received after your termination date, TUFTS HEALTH PLAN will refund the excess to your GROUP (or TUFTS HEALTH PLAN if covered under an INDIVIDUAL CONTRACT).

Voluntary and Involuntary Disenrollment Rates for MEMBERS

As required by Massachusetts law, TUFTS HEALTH PLAN conducts an annual disenrollment study. Annually, the study looks at the reasons MEMBERS leave TUFTS HEALTH PLAN, in order to track voluntary and involuntary disenrollment rates.

Voluntary Disenrollment Rate - The number of MEMBERS we disenrolled because they ceased to pay PREMIUMS. This is the voluntary disenrollment rate. For the year 2017, less than one percent of MEMBERS voluntarily disenrolled by ceasing to pay their PREMIUMS.

Involuntary Disenrollment Rate - The number of MEMBERS that we disenrolled because of fraud or acts of physical or verbal abuse. This is the involuntary disenrollment rate. For the year 2017, less than one percent of MEMBERS were involuntarily disenrolled as a result of fraud or abuse.

For additional information about the voluntary and involuntary disenrollment rates among TUFTS HEALTH PLAN MEMBERS, call Member Services.

Termination of a GROUP CONTRACT and Notice

End of TUFTS HEALTH PLAN and GROUP's relationship

If you enrolled under a GROUP CONTRACT, coverage will terminate if the relationship between your GROUP and TUFTS HEALTH PLAN ends for any reason, including:

- your GROUP's contract with TUFTS HEALTH PLAN terminates;
- your GROUP fails to pay PREMIUMS on time;
- TUFTS HEALTH PLAN stops operating; or
- your GROUP stops operating.

Notice of termination

The GROUP CONTRACT will terminate if your GROUP fails to pay PREMIUMS on time. If this happens, TUFTS HEALTH PLAN will notify you of the termination in writing within 60 days after the effective date of termination. The notice will tell you that you can elect to continue your coverage under Temporary Continuation of Coverage (TCC) and coverage under an INDIVIDUAL CONTRACT, as well as how to elect that coverage. If you elect Temporary Continuation of Coverage and pay the required PREMIUM, TCC coverage is available to you during the period between:

- the effective date of termination of your GROUP coverage; and
- the date TUFTS HEALTH PLAN sends you a written notice of termination.

The benefits available under Temporary Continuation of Coverage will be identical to those in your GROUP COVERAGE.

TUFTS HEALTH PLAN may terminate your coverage back to the date the GROUP CONTRACT terminated, if:

- TUFTS HEALTH PLAN sends you a written notice of termination;
- TUFTS HEALTH PLAN offers you the opportunity to elect Temporary Continuation of Coverage and coverage under an INDIVIDUAL CONTRACT; and
- you do not elect that coverage within the time period specified in the notice.

Upon termination of TCC, you may elect coverage under an INDIVIDUAL CONTRACT. For more information about this coverage, see "Coverage Under an INDIVIDUAL CONTRACT" at the end of Chapter 5.

If the GROUP CONTRACT terminates for any reason other than your GROUP's failure to pay PREMIUMS, TUFTS HEALTH PLAN will send a notice of termination to your GROUP with the effective date of termination. Your GROUP is responsible for notifying you of the termination. TUFTS HEALTH PLAN is not responsible if your GROUP does not notify you.

Transfer to Other GROUP Health Plans

Conditions for transfer

If you enrolled under a GROUP CONTRACT, you may transfer from TUFTS HEALTH PLAN to any other health plan offered by your GROUP only during your GROUP's OPEN ENROLLMENT PERIOD within 30 days after moving out of the NETWORK CONTRACTING AREA, or as of the date your GROUP no longer offers TUFTS HEALTH PLAN.

Note: Both your GROUP and the other health plan must agree.

Termination of an INDIVIDUAL CONTRACT

End of TUFTS HEALTH PLAN and SUBSCRIBER's relationship under an INDIVIDUAL CONTRACT

If you enrolled under an INDIVIDUAL CONTRACT, coverage will terminate if your relationship with TUFTS HEALTH PLAN ends for any reason, including:

- your INDIVIDUAL CONTRACT with TUFTS HEALTH PLAN terminates;
- you fail to pay PREMIUMS on time*; or
- TUFTS HEALTH PLAN stops operating.

*If the SUBSCRIBER is terminated, he or she cannot then reinstate coverage under this plan for a period of at least one year from his or her original enrollment date.

Chapter 5 - Continuation of GROUP CONTRACT Coverage

31-Day Continuation Coverage When MEMBER Leaves GROUP

Under Massachusetts law, a MEMBER who leaves a GROUP shall be able to continue his or her coverage under the GROUP CONTRACT for a period of 31 days. If that MEMBER becomes entitled to other health insurance coverage during that 31-day period, this continuation coverage shall end as of the date he or she becomes entitled to the other health insurance coverage. For more information about this continuation coverage, please call your GROUP or Member Services.

Federal Continuation Coverage (COBRA)

Rules for federal COBRA continuation

Under the Federal Consolidated Omnibus Budget Reconciliation Act (COBRA), you may be eligible to continue coverage after GROUP coverage ends if you were enrolled in TUFTS HEALTH PLAN through a GROUP which has 20 or more eligible employees and you experience a qualifying event (see list below) which would cause you to lose coverage under your GROUP.

Qualifying Events

A MEMBER's GROUP coverage under the GROUP CONTRACT may end because he or she experiences a qualifying event. A qualifying event is defined as:

- the SUBSCRIBER's death;
- termination of the SUBSCRIBER's employment for any reason other than gross misconduct;
- reduction in the SUBSCRIBER's work hours;
- the SUBSCRIBER's divorce or legal separation;
- the SUBSCRIBER's entitlement to Medicare; or
- the SUBSCRIBER's or SPOUSE's enrolled DEPENDENT ceases to be a DEPENDENT CHILD.

If a MEMBER experiences a qualifying event, he or she may be eligible to continue GROUP coverage as a SUBSCRIBER or an enrolled DEPENDENT under federal COBRA law as described below.

When federal COBRA coverage is effective

A MEMBER who is eligible for federal COBRA continuation coverage is called a "qualified beneficiary." A qualified beneficiary must be given an election period of 60 days to choose whether to elect federal COBRA continuation coverage. This period is measured from the later of the date the qualified beneficiary's coverage under the GROUP CONTRACT ends (see the list of qualifying events described above) or the date the plan provides the qualified beneficiary with a COBRA election notice.

A qualified beneficiary's federal COBRA continuation coverage becomes effective retroactive to the start of the election period, if he or she elects and pays for that coverage.

Cost of Coverage

In most cases, you are responsible for payment of 102% of the cost of coverage for the federal COBRA continuation coverage. (See "Important Note" in the "Duration of Coverage" table below for information about when you may be responsible for payment of more than 102% of the cost of COBRA coverage.) For more information, contact your GROUP.

Duration of Coverage

Qualified beneficiaries are eligible for federal COBRA continuation coverage, in most cases, for a period of 18 or 36 months from the date of the qualifying event, depending on the type of qualifying event. Generally, COBRA coverage is available for a maximum of 18 months for qualifying events due to employment termination or reduction of work hours. Certain qualifying events, or a second qualifying event during the initial period of coverage, may permit a qualified beneficiary to receive a maximum of 36 months of COBRA continuation coverage. For more information, see the “Duration of Coverage” table below.

FEDERAL COBRA - DURATION OF COVERAGE		
Qualifying Event(s)	Qualified Beneficiaries	Maximum Period of Coverage
<ul style="list-style-type: none"> Termination of SUBSCRIBER's employment for any reason other than gross misconduct. Reduction in the SUBSCRIBER's work hours. 	SUBSCRIBER, SPOUSE, and DEPENDENT CHILDREN	18 months*
SUBSCRIBER's divorce, legal separation, entitlement to Medicare, or death.	SPOUSE and DEPENDENT CHILDREN	36 months
SUBSCRIBER's or SPOUSE's enrolled DEPENDENT ceases to be a DEPENDENT CHILD.	DEPENDENT CHILD	36 months
<p>*Important Note: If a qualified beneficiary is determined under the federal Social Security Act to have been disabled within the first 60 days of federal COBRA continuation coverage for these qualifying events, then that qualified beneficiary and all of the qualified beneficiaries in his or her family may be able to extend COBRA coverage for up to an additional 11 months. You may be responsible for payment of up to 150% of the cost of COBRA coverage for this additional period of up to 11 months.</p>		

When coverage ends

Federal COBRA continuation coverage will end at the end of the maximum period of coverage. However, coverage may end earlier if:

- coverage costs are not paid on a timely basis.
- your GROUP ceases to maintain any group health plan.
- after the COBRA election, the qualified beneficiary obtains coverage with another employer group health plan that does not contain any exclusion or pre-existing condition of such beneficiary. However, if other group health coverage is obtained prior to the COBRA election, COBRA coverage may not be discontinued, even if the other coverage continues after the COBRA election.
- after the COBRA election, the qualified beneficiary becomes entitled to federal Medicare benefits. However, if Medicare is obtained prior to COBRA election, COBRA coverage may not be discontinued, even if the other coverage continues after the COBRA election.

Massachusetts Continuation Coverage

How to qualify for coverage

A MEMBER's GROUP coverage under the GROUP CONTRACT may end because he or she experiences a qualifying event.

A qualifying event is defined as:

- the SUBSCRIBER's death;
- termination of the SUBSCRIBER's employment for any reason other than gross misconduct;
- reduction in the SUBSCRIBER's work hours;
- the SUBSCRIBER's divorce or legal separation;
- the SUBSCRIBER's entitlement to Medicare; or
- the SUBSCRIBER's or SPOUSE's enrolled DEPENDENT ceases to be a DEPENDENT CHILD.

If a MEMBER experiences a qualifying event, he or she may be eligible to continue GROUP coverage as a SUBSCRIBER or an enrolled DEPENDENT under Massachusetts continuation coverage as described below.

Note: Same-sex marriages legally entered into in Massachusetts are recognized under Massachusetts law. Therefore, Massachusetts continuation, 39-week continuation, and plant closing continuation provisions do apply to same-sex SPOUSES. Contact your GROUP for more information.

When coverage begins

Massachusetts continuation coverage is effective on the date following the day Group coverage ends, in most cases.

When coverage ends

Massachusetts continuation coverage would end, in most cases, 18 or 36 months from the date of the qualifying event, depending on the type of qualifying event.

Payment of PREMIUM

In most cases, you are responsible for payment of 102% of the GROUP PREMIUM for Massachusetts continuation coverage.

Rules for Massachusetts continuation

Under a Massachusetts law similar to COBRA, you may be eligible to continue coverage after GROUP coverage ends if: you were enrolled in TUFTS HEALTH PLAN through a Massachusetts GROUP which has 2 - 19 eligible employees and you experience a qualifying event which would cause you to lose coverage under your GROUP; and you elect this continuation coverage by following the procedure described below.

A MEMBER who is eligible for Massachusetts continuation of coverage (a "qualified beneficiary") must be given an election period of 60 days to choose whether to elect Massachusetts continuation of coverage. This period is measured from the later of the date the qualified beneficiary's coverage under the GROUP CONTRACT ends, or the date the GROUP provides the qualified beneficiary with a election notice. To elect this coverage, you must complete a Massachusetts continuation of coverage election form and return it to your GROUP within the 60 day period. Contact your GROUP for more information.

Coverage under an INDIVIDUAL CONTRACT

When your coverage under federal COBRA continuation or Massachusetts continuation ends, you and your enrolled DEPENDENTS may be eligible to apply for coverage under an INDIVIDUAL CONTRACT. See "COVERAGE under an INDIVIDUAL CONTRACT" at the end of this chapter for more information.

39-Week Continuation Coverage

Under Massachusetts law, when a MEMBER becomes ineligible for coverage under the GROUP CONTRACT because of involuntary layoff or death, that person may continue his or her coverage under the GROUP CONTRACT until the earlier of:

- a period of up to 39 weeks from the date of such ineligibility; or
- the date that MEMBER becomes eligible for benefits under another GROUP plan.

The GROUP is responsible for notifying the involuntarily laid-off SUBSCRIBER, the surviving SPOUSE of a deceased SUBSCRIBER, and other DEPENDENTS of their eligibility for this continuation coverage. Such MEMBER(s) may elect to this continuation coverage by providing at least 30 days written notice of that election to the GROUP. The MEMBER(s) shall then be responsible for the payment of the whole PREMIUM due for this continuation coverage. Please call your GROUP or Member Services for more information about this continuation coverage.

Plant Closing

Description of continuation available under a GROUP CONTRACT

Under Massachusetts law, SUBSCRIBERS whose employment is terminated due to a state-certified plant closing or covered partial closing may be eligible, along with their enrolled DEPENDENTS, for continuation of coverage for a period of 90 days. The GROUP is responsible for notifying SUBSCRIBERS of their eligibility. Contact your GROUP or Member Services for more information.

The Uniformed Services Employment and Reemployment Rights Act (USERRA)

The Uniformed Services Employment and Reemployment Rights Act (USERRA) protects the job rights of individuals who voluntarily or involuntarily leave employment positions to undertake military service or certain types of service in the National Disaster Medical System. USERRA also prohibits employers from discriminating against past and present members of the uniformed services, and applicants to the uniformed services.

Under USERRA:

- You have the right to be reemployed in your civilian job if you leave that job to perform service in the uniformed services, and (1) you ensure that your employer receives advance written or verbal notice of your service; (2) you have five years or less of cumulative service in the uniformed services while with that particular employer; (3) you return to work or apply for reemployment in a timely manner after conclusion of service; and (4) you have not been separated from service with a disqualifying discharge or under other than honorable conditions. If you are eligible to be reemployed, you must be restored to the job and benefits you would have attained if you have not been absent due to military service, or in some cases, a comparable job.
- If you are a past or present member of the uniformed services, have applied for membership in the uniformed services, or are obligated to serve in the uniformed services, then an employer may not deny you initial employment, reemployment, retention in employment, promotion, or any benefit of employment because of this status. In addition, an employer may not retaliate against any assisting in the enforcement of USERRA rights, including testifying or making a statement in connection with a proceeding under USERRA, even if that person has no service connection.
- If you leave your job to perform military service, you have the right to elect to continue your existing employer-based health plan coverage for you and your DEPENDENTS for up to 24 months while in the military.
- If you don't elect to continue coverage during your military service, you have the right to be reinstated in your employer's health plan when you are reemployed, generally without any waiting periods or exclusions (for example, pre-existing condition exclusions), except for service-connected illnesses or injuries.
- Service members may be required to pay up to 102% of the premium for the health plan coverage. If coverage is for less than 31 days, the service member is only required to pay the employee share, if any, for such coverage.
- USERRA coverage runs concurrently with COBRA and other state continuation coverage.
- The U.S. Department of Labor, Veterans' Employment and Training Service (VETS) is authorized to investigate and resolve complaints of USERRA violations.

For assistance in filing a complaint, or for any other information on USERRA, contact VETS at 1-866-4-USA-DOL or visit its Web site at www.dol.gov/VETS. If you file a complaint with VETS and VETS is unable to resolve it, you may request that your case be referred to the Department of Justice for representation. You may also bypass the VETS process and bring a civil action against an employer for violations of USERRA. The rights listed here may vary depending on the circumstances.

For more information, please contact your GROUP.

Coverage under an INDIVIDUAL CONTRACT

If GROUP coverage ends, the MEMBER may be eligible to enroll in coverage under an INDIVIDUAL CONTRACT offered either directly by TUFTS HEALTH PLAN or through the Commonwealth Health Insurance Connector Authority ("the Connector"). Please note that coverage under an INDIVIDUAL CONTRACT may differ from group coverage. For more information, call TUFTS HEALTH PLAN Member Services or contact the Connector either by phone (1-877-MA-ENROLL) or on its Web site (www.mahealthconnector.org).

Chapter 6 - How to File a Claim and MEMBER Satisfaction

How to File a Claim

NETWORK Providers

When you obtain care from a NETWORK PROVIDER, you do not have to submit claim forms. The NETWORK PROVIDER will submit claim forms to TUFTS HEALTH PLAN for you. TUFTS HEALTH PLAN will make payment directly to the NETWORK PROVIDER.

NON-NETWORK Providers

As described below, when you obtain care from a NON-NETWORK PROVIDER, it may be necessary to file a claim form. Claim forms are available from the GROUP or TUFTS HEALTH PLAN (see "To Obtain Claim Forms" below).

Hospital Admission or DAY SURGERY

When you receive care from a hospital that is a NON-NETWORK PROVIDER, have the hospital complete a claim form. The hospital should submit the claim form directly to TUFTS HEALTH PLAN. If you are responsible for any portion of the hospital bill, TUFTS HEALTH PLAN will send you an explanation of benefits statement. The explanation of benefits will tell you how much you owe the NON-NETWORK HOSPITAL.

OUTPATIENT Medical Expenses

When you receive care from a NON-NETWORK PROVIDER, you are responsible for completing claim forms. (Check with the NON-NETWORK PROVIDER to determine if he or she will submit the claim directly to TUFTS HEALTH PLAN for you or whether you will be required to submit the claim form directly to TUFTS HEALTH PLAN yourself.)

If you sign the appropriate section on the claim form, TUFTS HEALTH PLAN will make payment directly to the NON-NETWORK PROVIDER. If you are responsible for any portion of the bill, TUFTS HEALTH PLAN will send you an explanation of benefits statement. The explanation of benefits will tell you how much you owe the NON-NETWORK PROVIDER.

If you do not sign the appropriate section on the claim form, TUFTS HEALTH PLAN will make the appropriate payment directly to you. If you have not already done so, you will be responsible for paying the NON-NETWORK PROVIDER for the services rendered. If you are responsible for any portion of the bill above what TUFTS HEALTH PLAN pays, TUFTS HEALTH PLAN will send you an explanation of benefits statement. The explanation of benefits statement will tell you how much you owe the NON-NETWORK PROVIDER.

To Obtain Claim Forms

Claim forms are available from the GROUP or by calling TUFTS HEALTH PLAN Member Services.

Where to Forward Medical Claim Forms

Send completed claim forms to:

TUFTS HEALTH PLAN
Claims Department
P.O. Box 9185
Watertown, MA 02472-9185

Separate claim forms should be submitted for each family member.

Pharmacy Expenses

If you obtain a prescription at a non-designated or OUT-OF-NETWORK pharmacy, you will need to pay for the prescription up front and submit a claim for reimbursement. Pharmacy claim forms can be obtained by contacting a TUFTS HEALTH PLAN Member Representative or through our Web site at www.tuftshealthplan.com.

MEMBER Satisfaction Process

TUFTS HEALTH PLAN has a multi-level MEMBER Satisfaction Process including:

- Internal Inquiry;
- Member Grievance Process;
- Internal Member Appeals; and
- External Review by the Office of Patient Protection.

All grievances and appeals should be sent to TUFTS HEALTH PLAN at the following address:

TUFTS HEALTH PLAN

Attn: Appeals and Grievances Dept.

705 Mt. Auburn Street

P.O. Box 9193

Watertown, MA 02472-9193

Fax: 617-972-9509

All calls should be directed to the TUFTS HEALTH PLAN Member Services Department at 1-800-423-8080. Alternatively, you may submit your grievance or appeal at the address listed above.

Internal Inquiry

Call a TUFTS HEALTH PLAN Member Representative to discuss concerns you may have regarding your health care. Every effort will be made to resolve your concerns within three (3) business days. If your concerns cannot be explained or resolved within three (3) business days or if you tell a Member Representative that you are not satisfied with the response you have received from TUFTS HEALTH PLAN, we will notify you of any options you may have, including the right to have your inquiry processed as a grievance or appeal. If you choose to file a grievance or appeal, you will receive written acknowledgement and written resolution in accordance with the timelines outlined below.

TUFTS HEALTH PLAN maintains records of each inquiry made by a MEMBER or by that MEMBER's authorized representative. The records of these inquiries and the response provided by TUFTS HEALTH PLAN are subject to inspection by the Massachusetts Commissioner of Insurance and the Massachusetts Health Policy Commission.

MEMBER Grievance Process

A grievance is a formal complaint about actions taken by TUFTS HEALTH PLAN or a NETWORK PROVIDER. There are two types of grievances: administrative grievances and clinical grievances. The two types of grievances are described below.

It is important that you contact TUFTS HEALTH PLAN as soon as possible to explain your concern. Grievances may be filed either verbally or in writing. If you choose to file a grievance verbally, please call a TUFTS HEALTH PLAN Member Representative, who will document your concern and forward it to an Appeals and Grievances Specialist in the Appeals and Grievances Department. To accurately reflect your concerns, you may want to put your grievance in writing and send it to the address provided at the beginning of this section. Your explanation should include:

- your name and address;
- your TUFTS HEALTH PLAN Member ID number;
- a detailed description of your concern (including relevant dates, any applicable medical information, and PROVIDER names); and
- any supporting documentation.

Important Note: The MEMBER Grievance Process does not apply to requests for a review of a denial of coverage. If you are seeking such a review, please see the "Internal MEMBER Appeals" section below.

Administrative Grievances

An administrative grievance is a complaint about a TUFTS HEALTH PLAN employee, department, policy, or procedure, or about a billing issue.

Administrative Grievance Timeline

- If you file your grievance in writing, we will notify you by mail, within five (5) business days after receiving your letter, that your letter has been received and provide you with the name, address, and telephone number of the Appeals and Grievances Specialist coordinating the review of your grievance.
- If you file your grievance verbally, we will send you a written confirmation of our understanding of your concerns within forty-eight (48) hours. We will also include the name, address, and telephone number of the person coordinating the review.
- If your request for review was first addressed through the internal inquiry process, and does not require the review of medical records, the thirty (30) calendar day review period will begin the day following the end of the three (3) business day Internal Inquiry process or earlier if you notify TUFTS HEALTH PLAN that you are not satisfied with the response you received during the Internal Inquiry process.
- If your grievance requires the review of medical records, you will receive a form that you will need to sign which authorizes your PROVIDERS to release medical information relevant to your grievance to TUFTS HEALTH PLAN. You must sign and return the form before we can begin the review process. If you do not sign and return the form to TUFTS HEALTH PLAN within thirty (30) business days of the date you filed, we may issue a response to your grievance without having reviewed the medical records. You will have access to any medical information and records relevant to your grievance that are in the possession and control of TUFTS HEALTH PLAN.
- We will review your grievance and will send you a letter regarding the outcome, as allowed by law, within thirty (30) calendar days of receipt.
- The time limits in this process may be waived or extended beyond the time allowed by law upon mutual written agreement between you or your authorized representative and TUFTS HEALTH PLAN.

Clinical Grievances

A clinical grievance is a complaint about the quality of care or services that you have received. If you have concerns about your medical care, you should discuss them directly with your PROVIDER. If you are not satisfied with your PROVIDER's response or do not wish to address your concerns directly with your PROVIDER, you may contact Member Services to file a clinical grievance.

If you file your grievance in writing, we will notify you by mail, within five (5) business days after receiving your letter, that your letter has been received and provide you with the name, address, and telephone number of the Appeals and Grievances Specialist coordinating the review of your grievance. If you file your grievance verbally, we will send you a written confirmation of our understanding of your concerns within forty-eight (48) hours. We will also include the name, address, and telephone number of the person coordinating the review.

TUFTS HEALTH PLAN will review your grievance and will notify you in writing regarding the outcome, as allowed by law, within thirty (30) calendar days of receipt. The review period may be extended up to an additional thirty (30) days if additional time is needed to complete the review of your concern. You will be notified in writing if the review timeframe is extended.

Internal Member Appeals

An appeal is a request for a review of a denial of coverage for a service or supply that has been reviewed and denied by TUFTS HEALTH PLAN based on MEDICAL NECESSITY (an adverse determination) or a denial of coverage for a specifically excluded service or supply. The TUFTS HEALTH PLAN Appeals and Grievances Department will review all of the information submitted upon appeal, taking into consideration your benefits as detailed in this CERTIFICATE OF INSURANCE.

It is important that you contact TUFTS HEALTH PLAN as soon as possible to explain your concern. You have 180 days from the date you were notified of the denial of benefit coverage or claim payment to file an internal appeal. Appeals may be filed either verbally or in writing. If you would like to file a verbal appeal, call a TUFTS HEALTH PLAN Member Representative who will document your concern and forward it to an Appeals and Grievances Specialist in the Appeals and Grievances Department. To accurately reflect your concerns, you may want to put your appeal in writing and send it to the address provided at the beginning of this section. You may also submit your appeal in person at the address listed at the beginning of this chapter.

Your explanation should include:

- your name and address;
- your TUFTS HEALTH PLAN Member ID number;
- a detailed description of your concern (including relevant dates, any applicable medical information, and PROVIDER names); and
- any supporting documentation.

Appeals Timeline

- If you file your appeal verbally or in writing, we will notify you in writing, within forty-eight (48) hours after receiving your written or verbal appeal, that your appeal has been received and provide you with the name, address, and telephone number of the Appeals and Grievances Specialist coordinating the review of your appeal and our understanding of your concerns.
- If your request for review was first addressed through the Internal Inquiry process, and does not require the review of medical records, the thirty (30) calendar day review period will begin the day following the end of the three (3) business day Internal Inquiry process or earlier if you notify TUFTS HEALTH PLAN that you are not satisfied with the response you received during the Internal Inquiry process.
- TUFTS HEALTH PLAN will review your appeal, make a decision, and send you a decision letter within thirty (30) calendar days of receipt.
- The time limits in this process may be waived or extended beyond the time allowed by law upon mutual verbal or written agreement between you or your authorized representative and TUFTS HEALTH PLAN.

This extension may be necessary if we are waiting for medical records that are necessary for the review of your appeal and have not received them. The Appeals and Grievances Specialist handling your case will notify you in advance if an extension may be needed. In addition, a letter will be sent to you confirming the extension.

Note: If you need help, the Consumer Assistance Resource Program in Massachusetts can help you file your appeal. Contact:

Health Care for All

When Medical Records are Necessary

If your appeal requires the review of medical records, you will receive a form that you will need to sign that authorizes your PROVIDERS to release to TUFTS HEALTH PLAN medical information relevant to your appeal. You must sign and return the form before TUFTS HEALTH PLAN can begin the review process. If you do not sign and return the form to TUFTS HEALTH PLAN within thirty (30) calendar days of the date you filed your appeal, TUFTS HEALTH PLAN may issue a response to your request without having reviewed the medical records. You will have access to any medical information and records relevant to your appeal that are in the possession and control of TUFTS HEALTH PLAN.

Who Reviews Appeals?

If the appeal involves a medical necessity determination, an actively practicing health care professional in the same or similar specialty as typically treats the medical condition, performs the procedure, or provides the treatment that is under review, and who did not participate in any of the prior decisions on the case, will take part in the review. In addition, a committee made up of managers and clinicians from various TUFTS HEALTH PLAN departments will review your appeal. A committee within the Appeals and Grievances Department will review appeals involving non-COVERED SERVICES.

Appeal Response Letters

The letter you receive from TUFTS HEALTH PLAN will include identification of the specific information considered for your appeal and an explanation of the basis for the decision. A response letter regarding a final adverse determination (a decision based on MEDICAL NECESSITY) will include: the specific information upon which the adverse determination was based; TUFTS HEALTH PLAN's understanding of your presenting symptoms or condition; diagnosis and treatment interventions, and the specific reasons such medical evidence fails to meet the relevant medical review criteria; alternative treatment options offered, if any; applicable clinical practice guidelines and review criteria; notification of the steps for requesting external review by the Office for Patient Protection; and the titles and credentials of the individuals who reviewed the case ; and the availability of translation services and consumer assistance programs. Please note that requests for coverage of services that are specifically excluded in your CERTIFICATE are not eligible for external review.

An appeal not properly acted on by TUFTS HEALTH PLAN within the time limits of Massachusetts law and regulations, including any extensions made by mutual written agreement between you or your authorized representative and TUFTS HEALTH PLAN, shall be deemed resolved in your favor.

Expedited Appeals

TUFTS HEALTH PLAN recognizes that there are circumstances that require a quicker turnaround than the thirty (30) calendar days allotted for the standard Appeals Process. TUFTS HEALTH PLAN will expedite an appeal when there is an ongoing service about to terminate or a service to be delivered imminently whereby a delay in treatment would seriously jeopardize your life and health or jeopardize your ability to regain maximum function. Should you feel that your request meets the criteria cited above, you or your attending PROVIDER should contact the Member Services Department. Under these circumstances, you will be notified of TUFTS HEALTH PLAN's decision within 2 business days, but no later than seventy-two (72) hours (whichever is less) after the review is initiated. If your treating PROVIDER (the practitioner responsible for the treatment or proposed treatment) certifies that the service being requested is MEDICALLY NECESSARY; that a denial of coverage for such services would create a substantial risk of serious harm; and such risk of serious harm is so immediate that the provision of such services should not await the outcome of the normal appeal process, you will be notified of TUFTS HEALTH PLAN's decision within forty-eight (48) hours of the receipt of certification. If you are appealing coverage for DURABLE MEDICAL EQUIPMENT (DME) that TUFTS HEALTH PLAN determined was not MEDICALLY NECESSARY, you will be notified of TUFTS HEALTH PLAN's decision within less than forty-eight (48) hours of the receipt of certification. If you are an INPATIENT in a hospital, TUFTS HEALTH PLAN will notify you of the decision before you are discharged. If your appeal concerns the termination of ongoing coverage or treatment, the disputed coverage shall remain in effect at TUFTS HEALTH PLAN's expense through the completion of the Internal Appeals Process. Only those services which were originally authorized by TUFTS HEALTH PLAN and which were not terminated pursuant to a specific time or episode-related exclusion will continue to be covered.

If you have a terminal illness, we will notify you of TUFTS HEALTH PLAN's decision within five (5) days of receiving your appeal. If TUFTS HEALTH PLAN's decision is to deny coverage, you may request a conference. We will schedule the conference within 10 days (or within 5 business days if your PROVIDER determines, after talking with a TUFTS HEALTH PLAN Medical Affairs Department Physician or Psychological Testing Reviewer, that based on standard medical practice the effectiveness of the proposed treatment or alternative covered treatment would be materially reduced if not provided at the earliest possible date). You may bring another person with you to the conference. At the conference, you and/or your authorized representative, if any, and a representative of TUFTS HEALTH PLAN who has authority to determine the disposition of the appeal, shall review the information provided.

If the appeal is denied, the decision will include the specific medical and scientific reasons for denying the coverage, and a description of any alternative treatment, services or supplies that would be covered. If your request meets the criteria for an expedited review, you may also file a request for a simultaneous external appeal as described below.

If You are Not Satisfied with the Appeals Decision

"Reconsideration"

In circumstances where relevant medical information (1) was received too late to review within the thirty (30) calendar day time limit; or (2) was not received but is expected to become available within a reasonable time period following the written resolution, you may choose to request a reconsideration. TUFTS HEALTH PLAN may allow the opportunity for reconsideration of a final adverse determination. If you request a reconsideration, you must agree in writing to a new time period for review. The time period will be no greater than thirty (30) calendar days from the agreement to reconsider the appeal.

External Review by the Office of Patient Protection

The Massachusetts Office of Patient Protection, which is not connected in any way with TUFTS HEALTH PLAN, administers an independent external review process for final coverage determinations based on medical necessity (final adverse determination). Appeals for coverage of services specifically excluded in your CERTIFICATE are not eligible for external review.

To request an external review by the Office of Patient Protection, you must file your request in writing with the Office of Patient Protection within four (4) months of your receipt of written notice of the denial of your appeal by TUFTS HEALTH PLAN. The letter from TUFTS HEALTH PLAN notifying you of the denial will contain the forms and other information that you will need to file an appeal with the Office of Patient Protection. The review panel will make a decision within forty-five (45) calendar days for standard reviews and within seventy-two (72) hours for expedited reviews.

You or your authorized representative may request to have your review processed as an expedited external review. Any request for an expedited external review must contain a certification, in writing, from a PROVIDER, that delay in providing or continuation of health care services that are the subject of a final adverse determination, would pose a serious and immediate threat to your health. Upon a finding that a serious and immediate threat to your health exists, the Office of Patient Protection will qualify such request as eligible for an expedited external review.

Your cost for an external review by the Office of Patient Protection is \$25.00. This payment should be sent to the Office of Patient Protection, along with your written request for a review. The Office of Patient Protection may waive this fee if it determines that the payment of the fee would result in an extreme financial hardship to you and shall refund the fee to the insured if the adverse determination is reversed in its entirety. TUFTS HEALTH PLAN will pay the remainder of the cost for an external review. Upon completion of the external review, the Office of Patient Protection shall bill TUFTS HEALTH PLAN the amount established pursuant to contract between the Massachusetts Health Policy Commission and the assigned external review agency minus the \$25 fee which is your responsibility. You will not be required to pay more than \$75 per plan year, regardless of the number of external review requests submitted.

You or your authorized representative will have access to any medical information and records relating to your appeal in the possession of the TUFTS HEALTH PLAN or under its control.

If the subject matter of the external review involves the termination of ongoing services, you may apply to the external review panel to seek the continuation of coverage for the terminated service during the period the review is pending. The review panel may order the continuation of coverage where it determines that substantial harm to your health may result absent such continuation or for such other good cause as the review panel shall determine. Any such continuation of coverage will be at TUFTS HEALTH PLAN's expense regardless of the final external review determination.

The decision of the review panel will be binding on TUFTS HEALTH PLAN. If the external review agency overturns a TUFTS HEALTH PLAN decision in whole or in part, TUFTS HEALTH PLAN will send you a written notice within five (5) business days of receipt of the written decision from the review agency. This notice will:

- include an acknowledgement of the decision of the review agency;
- advise you of any additional procedures that you need to take in order to obtain the requested coverage or services;
- advise you of the date by which the payment will be made or the authorization for services will be issued by TUFTS HEALTH PLAN; and
- include the name and phone number of the person at TUFTS HEALTH PLAN who will assist you with final resolution of the appeal.

Please note: If you are not satisfied with TUFTS HEALTH PLAN's MEMBER Satisfaction process, you have the right at any time to contact the Commonwealth of Massachusetts at either the Division of Insurance Bureau of Managed Care at 617-521-7777 or the Health Policy Commission's Office of Patient Protection at:

Bills from Providers

Bills from PROVIDERS

Occasionally, you may receive a bill from a NON-NETWORK PROVIDER for COVERED SERVICES. Before paying the bill, contact the TUFTS HEALTH PLAN Member Services Department.

If you do pay the bill, you must send the following information to the MEMBER Reimbursement Medical Claims Department:

- A completed, signed MEMBER Reimbursement Medical Claim Form, which can be obtained from the TUFTS HEALTH PLAN web site or by contacting the TUFTS HEALTH PLAN Member Services Department; and
- the documents listed on the MEMBER Reimbursement Medical Claim Form that are required for proof of service and payment.

The address for the MEMBER Reimbursement Medical Claims Department is listed on the MEMBER Reimbursement Medical Claims Form.

Please note: You must contact TUFTS HEALTH PLAN regarding your bill(s) or send your bill(s) to TUFTS HEALTH PLAN within twelve months from the date of service. If you do not, the bill cannot be considered for payment. Most completed reimbursement requests are processed within 30 days. Incomplete requests and requests for services rendered outside of the United States may take longer.

Except as described earlier in this CERTIFICATE, if you receive COVERED SERVICES from a NON-NETWORK PROVIDER, TUFTS HEALTH PLAN will pay up to the REASONABLE CHARGE.

IMPORTANT NOTE

Certain services you receive from NON-NETWORK PROVIDERS within our NETWORK CONTRACTING AREA may be reimbursable. Some examples of these types of NON-NETWORK PROVIDERS include:

- radiologists, pathologists, and anesthesiologists who work in hospitals; and
- EMERGENCY room specialists.

We reserve the right to be reimbursed by the MEMBER for payments made due to our error.

Notice to Michigan Residents

A complete and proper claim for COVERED SERVICES made by a MEMBER will be promptly processed by TUFTS HEALTH PLAN. However, in the event there are delays in processing claims, the MEMBER shall have no greater rights to interest or other remedies against TUFTS HEALTH PLAN's third party administrator, Tufts Benefit Administrators, Inc., than as otherwise afforded to him or her by law.

Limitation on Actions

You cannot file a lawsuit against TUFTS HEALTH PLAN for failing to pay or arrange for COVERED SERVICES unless you have completed the TUFTS HEALTH PLAN MEMBER Satisfaction Process and file the lawsuit within two years from the time the cause of action arose. For example, if you want to file a lawsuit because you were denied coverage under this GROUP or INDIVIDUAL CONTRACT, you must first complete our MEMBER Satisfaction Process, and then file your lawsuit within two years after the date you were first sent a notice of the denial. Going through the TUFTS HEALTH PLAN MEMBER Satisfaction Process does not extend the time limit for filing a lawsuit beyond two years after the date you were first denied coverage. However, if you choose to pursue external review by the Office of Patient Protection, the days from the date your request is received by the Office of Patient Protection until the date you receive the response are not counted toward the two-year limit.

Chapter 7 Other Plan Provisions

Subrogation

TUFTS HEALTH PLAN's right of subrogation

You may have a legal right to recover some or all of the costs of your health care from someone else (a "Third Party"). "Third Party" means any person or company that is, could be, or is claimed to be responsible for the costs of injuries or illness to you. This includes such costs to any DEPENDENT covered under this plan.

TUFTS HEALTH PLAN may cover health care costs for which a Third Party is responsible. In this case, we may require that Third Party to repay us the full cost of all such benefits provided by this plan. Our rights of recovery apply to any recoveries made by you or on your behalf from any source. This includes, but is not limited to:

- payments made by a Third Party;
- payments made by any insurance company on behalf of the Third Party;
- any payments or rewards under an uninsured or underinsured motorist coverage policy;
- any disability award or settlement;
- no-fault, personal injury protection ("PIP"), or medical payments coverage ("MedPay") under any automobile policy to the extent permissible by law;
- premises or homeowners' medical payments coverage;
- premises or homeowners' insurance coverage; and
- any other payments from a source intended to compensate you for Third Party injuries.

We have the right to recover those costs in your name. We can do this with or without your consent, directly from that person or company. Our right has priority, except as otherwise provided by law. We can recover against the total amount of any recovery, regardless of whether:

- all or part of the recovery is for medical expenses; or
- the recovery is less than the amount needed to reimburse you fully for the illness or injury.

Workers' compensation

Employers provide workers' compensation insurance for their employees to protect them in case of work-related illness or injury.

If you have a work-related illness or injury, you and your employer must ensure that all medical claims related to the illness or injury are billed to your employer's workers' compensation insurer. TUFTS HEALTH PLAN will not provide coverage for any injury or illness for which it determines that the MEMBER is entitled to benefits pursuant to any workers' compensation statute or equivalent employer liability, or indemnification law (whether or not the employer has obtained workers' compensation coverage as required by law)."

If TUFTS HEALTH PLAN pays for the costs of health care services or medications for any work-related illness or injury, TUFTS HEALTH PLAN has the right to recover those costs from you, the person, or company legally obligated to pay for such services, or from the PROVIDER. If your PROVIDER bills services or medications to TUFTS HEALTH PLAN for any work-related illness or injury, please contact the TUFTS HEALTH PLAN Liability and Recovery Department at 1-888-880-8699, x. 21098.

TUFTS HEALTH PLAN's right of reimbursement

This provision applies in addition to the rights described above. You may recover money by suit, settlement, or otherwise. If this happens, you are required to reimburse us for the cost of health care services, supplies, medications, and expenses for which we paid or will pay. This right of reimbursement attaches when we have provided health care benefits for expenses where a Third Party is responsible and you have recovered any amounts from any sources. This includes, but is not limited to:

- payments made by a Third Party;
- payments made by any insurance company on behalf of the Third Party;
- any payments or awards under an uninsured or underinsured motorist coverage policy;
- any disability award or settlement;
- no-fault PIP, or MedPay under any automobile policy to the extent permissible by law;
- premises or homeowners' medical payments coverage;
- premises or homeowners' insurance coverage; and
- any other payments from a source intended to compensate you where a Third Party is responsible.

We have the right to be reimbursed up to the amount of any payment received by you to the extent permissible by law, regardless of whether (a) all or part of the payment to you was designated, allocated, or characterized as payment for medical expenses; or (b) the payment is for an amount less than that necessary to compensate you fully for the illness or injury.

Constructive Trust

By accepting benefits from TUFTS HEALTH PLAN (whether the payment of such benefits is made to you directly or made on your behalf, for example, to a PROVIDER), you hereby agree that if you receive any payment from any responsible party as a result of an injury, illness, or condition, you will serve as a constructive trustee over the funds that constitute such payment. Failure to hold such funds in trust will be deemed a breach of your fiduciary duty to TUFTS HEALTH PLAN.

MEMBER cooperation

You further agree:

- to notify TUFTS HEALTH PLAN promptly and in writing when notice is given to any Third Party or representative of a Third Party of the intention to investigate or pursue a claim to recover damages or obtain compensation;
- to cooperate with us and provide us with requested information;
- to do whatever is necessary to secure our rights of subrogation and reimbursement under this plan;
- to assign us any benefits you may be entitled to receive from a Third Party. Your assignment is up to the cost of health care services and supplies, and expenses, that we paid or will pay for your illness or injury;
- to give us a first priority lien on any recovery, settlement, or judgment or other source of compensation which may be had by any Third Party. You agree to do this to the extent of the full cost of all benefits associated with Third Party responsibility;
- to do nothing to prejudice our rights as set forth above. This includes, but is not limited to, refraining from making any settlement or recovery which specifically attempts to reduce or exclude the full cost of all benefits provided by this plan;
- to serve as a constructive trustee for the benefit of this plan over any settlement or recovery funds received as a result of Third Party responsibility;
- that we may recover the full cost of all benefits provided by this plan without regard to any claim of fault on your part, whether by comparative negligence or otherwise;
- that no court costs or attorney fees may be deducted from our recovery;
- that we are not required to pay or contribute to paying court costs or attorney's fees for the attorney hired by you to pursue your claim or lawsuit against any Third Party; and
- that in the event you or your representative fails to cooperate with TUFTS HEALTH PLAN, you shall be responsible for all benefits provided by this plan in addition to costs and attorney's fees incurred by TUFTS HEALTH PLAN in obtaining repayment.

Subrogation Agent

TUFTS HEALTH PLAN may contract with a third party to administer subrogation recoveries. In such case, that subcontractor will act as TUFTS HEALTH PLAN's agent.

Coordination of Benefits

Benefits under other plans

You may have benefits under other plans for hospital, medical, dental or other health care expenses.

TUFTS HEALTH PLAN has a coordination of benefits (COB) program that prevents duplication of payment for the same health care services. We will coordinate benefits payable for COVERED SERVICES with benefits payable by other plans, consistent with Massachusetts law, 211 CMR 38.00 et seq.

Note: We coordinate benefits with Medicare according to federal law, rather than state law.

Primary and secondary plans

We will coordinate benefits by determining which plan has to pay first when you make a claim and which plan has to pay second. We determine the order of benefits using the first applicable rule set forth in 211 CMR 38.05 and pay or provide benefits pursuant to the rules set forth in 211 CMR 38.04 and 211 CMR 38.06. These regulations are available on the Massachusetts state website, www.mass.gov/code-of-massachusetts-regulations-cmr.

Right to receive and release necessary information

When you enroll, you must include information on your membership application about other health coverage you have. After you enroll, you must notify TUFTS HEALTH PLAN of new coverage or termination of other coverage. TUFTS HEALTH PLAN may ask for and give out information needed to coordinate benefits.

You agree to provide information about other coverage and cooperate with TUFTS HEALTH PLAN's COB program.

Right to recover overpayment

TUFTS HEALTH PLAN may recover, from you or any other person or entity, any payments made that are greater than payments it should have made under the COB program. TUFTS HEALTH PLAN will recover only overpayments actually made.

For more information

For more information about COB, contact the TUFTS HEALTH PLAN Liability and Recovery Department at 1-888-880-8699, x. 21098. You can also call a Member Representative and have your call transferred to the TUFTS HEALTH PLAN Liability and Recovery Department.

Medicare Eligibility

This provision does not apply to a MEMBER enrolled under an INDIVIDUAL CONTRACT.

When a SUBSCRIBER or an enrolled DEPENDENT reaches age 65, that person may become entitled to Medicare based on his or her age. That person may also become entitled to Medicare under age 65 due to disability or end stage renal disease.

TUFTS HEALTH PLAN will pay benefits **before** Medicare:

- for you or your enrolled SPOUSE, if you or your SPOUSE is age 65 or older, if you are actively working and if your employer has 20 or more employees;
- for you or your enrolled DEPENDENT, for the first 30 months you or your DEPENDENT is eligible for Medicare due to end stage renal disease; or
- for you or your enrolled DEPENDENT, if you are actively working, you or your DEPENDENT is eligible for Medicare under age 65 due to disability, and your employer has 100 or more employees.

TUFTS HEALTH PLAN will pay benefits **after** Medicare:

- if you are age 65 or older and are not actively working;
- if you are age 65 or older and your employer has fewer than 20 employees;
- after the first 30 months you are eligible for Medicare due to end stage renal disease;
- if you are a MEMBER who is enrolled under an INDIVIDUAL CONTRACT (meaning not covered through an employer under a GROUP CONTRACT); or
- if you are eligible for Medicare under age 65 due to disability, but are not actively working or are actively working for an employer with fewer than 100 employees.

Note: In any of the circumstances described above, you will receive benefits for COVERED SERVICES that Medicare does not cover.

Use and Disclosure of Medical Information

TUFTS HEALTH PLAN mails a separate "NOTICE OF PRIVACY PRACTICES" to all SUBSCRIBERS to explain how TUFTS HEALTH PLAN uses and discloses your medical information. If you have questions or would like another copy of our "Notice of Privacy Practices", please call a Member Representative. Information is also available on our Web site at www.tuftshealthplan.com.

EMERGENCY

An illness or medical condition, whether physical, behavioral, related to substance use disorder, or mental, that manifests itself by symptoms of sufficient severity, including severe pain, that the absence of prompt medical attention could reasonably be expected by a prudent lay person, who possesses an average knowledge of health and medicine, to result in:

- serious jeopardy to the physical and / or behavioral health of a MEMBER or another person (or with respect to a pregnant MEMBER, the MEMBER or her unborn CHILD's physical and/or mental health); or
- serious impairment to bodily functions; or
- serious dysfunction of any bodily organ or part; or
- with respect to a pregnant woman who is having contractions, inadequate time to effect a safe transfer to another hospital before delivery, or a threat to the safety of the MEMBER or her unborn CHILD in the event of transfer to another hospital before delivery.

Some examples of illnesses or medical conditions requiring EMERGENCY care are severe pain, a broken leg, loss of consciousness, vomiting blood, chest pain, difficulty breathing, or any medical condition that is quickly getting much worse.

EXPERIMENTAL OR INVESTIGATIVE

A service, supply, treatment, procedure, device, or medication (collectively "treatment") is considered EXPERIMENTAL OR INVESTIGATIVE and therefore, not MEDICALLY NECESSARY, if any of the following apply:

- the drug or device cannot be lawfully marketed without the approval of the U.S. Food and Drug Administration and approval for marketing has not been given at the time the drug or device is furnished or to be furnished;
- the treatment, or the "informed consent" form used with the treatment, was reviewed and approved by the treating facility's institutional review board or other body serving a similar function, or federal law requires such review or approval;
- reliable scientific evidence shows that the treatment is the subject of ongoing Phase I or Phase II clinical trials; is the research, experimental, study or investigative arm of ongoing Phase III clinical trials; or is otherwise under study to determine its safety, efficacy, toxicity, maximum tolerated dose, or its efficacy as compared with a standard means of treatment or diagnosis;
- evaluation by an independent health technology assessment organization has determined that the treatment is not proven safe;
- even if approved for lawful marketing by the U.S. Food and Drug Administration, reliable scientific evidence does not support that the treatment is effective in improving health outcomes or that appropriate patient selection has been determined;
- the peer-reviewed published literature regarding the treatment is predominantly non-randomized, historically controlled, case controlled, or cohort studies; or there are few or no well-designed randomized, controlled trials; or
- there is no scientific or clinical evidence that the treatment is at least as beneficial as any established, evidencebased alternatives.

This definition is fully explained in the corresponding MEDICAL NECESSITY Guidelines.

The INPATIENT NOTIFICATION PENALTY amount does not count toward COINSURANCE, DEDUCTIBLES or the OUT-OF-POCKET MAXIMUM. The INPATIENT NOTIFICATION PENALTY is shown in "Benefit Overview" at the front of this CERTIFICATE.

LIMITED SERVICE MEDICAL CLINIC

A walk-in medical clinic licensed to provide limited services, generally based in a retail store. Care is provided by a nurse practitioner or physician assistant. A LIMITED SERVICE MEDICAL CLINIC offers an alternative to certain emergency room visits for a MEMBER who requires less emergent care or who is not able to visit his or her PRIMARY CARE PROVIDER in the time frame that is felt to be warranted by their condition or symptoms. Some examples of common illnesses a LIMITED SERVICE MEDICAL CLINIC can treat include strep throat, or eye, ear, sinus, or bronchial infections. The services provided by a LIMITED SERVICE MEDICAL CLINIC are only available to patients of ages 24 months or older. A LIMITED SERVICE MEDICAL CLINIC does not provide EMERGENCY or wound care, or treatment for injuries. It is not appropriate for people who need x-rays or stitches or who have life-threatening conditions. MEMBERS experiencing these conditions should go to an emergency room.

MEDICALLY NECESSARY

A service or supply that is consistent with generally accepted principles of professional medical practice as determined by whether that service or supply:

- is the most appropriate available supply or level of service for the MEMBER in question considering potential benefits and harms to that individual;
- is known to be effective, based on scientific evidence, professional standards and expert opinion, in improving health outcomes; or
- for services and interventions not in widespread use, as based on scientific evidence.

In determining coverage for MEDICALLY NECESSARY Services, we use MEDICAL NECESSITY Guidelines which are:

- developed with input from practicing PROVIDERS in the NETWORK CONTRACTING AREA;
- developed in accordance with the standards adopted by national accreditation organizations;
- updated at least biennially or more often as new treatments, applications and technologies are adopted as generally accepted professional medical practice; and

Providers of these non-covered services may be contracting or non-contracting traditional medical providers. These services may be offered in connection with a traditional office visit. OPEN ENROLLMENT PERIOD

For a GROUP CONTRACT, the period each year when TUFTS HEALTH PLAN and the GROUP allow eligible persons to apply for GROUP coverage in accordance with the GROUP CONTRACT. This is also the period each year when TUFTS HEALTH PLAN allows eligible individuals to apply for coverage in accordance with an INDIVIDUAL CONTRACT.

OUT-OF-NETWORK LEVEL OF BENEFITS

The level of benefits that a MEMBER receives when COVERED SERVICES are not provided by a NETWORK PROVIDER. See Chapter 1 for more information.

Nationally accepted means and amounts of claims payment include, but are not limited to: Medicare fee schedules and allowed amounts, CMS medical coding policies, AMA CPT coding guidelines, nationally recognized academy and society coding and clinical guidelines.

With respect to OUT-OF-NETWORK EMERGENCY care, REASONABLE CHARGE is the highest of: (1) the median amount negotiated with NETWORK PROVIDER for the EMERGENCY services; (2) the amount for the EMERGENCY service calculated using the same method we generally use to determine payments for OUT-OF-NETWORK services (such as the usual, customary and reasonable (UCR) amount); or (3) the amount that would be paid under Medicare for the EMERGENCY service.

Appendix B - ERISA Information and other State and Federal Notices

ERISA Rights

Note: Applies to Group Contracts only.

If your plan is an ERISA plan, you are entitled to certain rights and protections under the Employee Retirement Income Security Act of 1974 (ERISA), as amended. Most plans are ERISA plans, but not all. Please contact your plan administrator to determine if your plan is an ERISA plan.

ERISA provides that all plan participants shall be entitled to receive information about their plan and benefits, continue group health plan coverage, and prudent actions by plan fiduciaries.

Receiving Information About Your Plan and Benefits

ERISA provides that all plan participants shall be entitled to:

- Examine, without charge, at the plan administrator's office and at other specified locations, all documents governing the plan, including insurance contracts and collective bargaining agreements, and a copy of the latest annual report (Form 5500 Series) filed by the plan with the U.S. Department of Labor and available at the Public Disclosure Room of the Employee Benefits Security Administration.
- Obtain, upon written request to the plan administrator, copies of documents governing the operation of the plan, including insurance contracts and collective bargaining agreements, and copies of the latest annual report (Form 5500 Series) and updated summary plan description. The plan administrator may make a reasonable charge for the copies.
- Receive a summary of the plan's annual financial report. The plan administrator is required by law to furnish each participant with a copy of this summary annual report.

Prudent Actions by Plan Fiduciaries

In addition to creating rights for plan participants, ERISA imposes duties upon the people who are responsible for the operation of the plan. The people who operate your plan, called "fiduciaries" of the plan, have a duty to do so prudently and in the interest of you and other plan participants and beneficiaries. No one, including your employer, your union, or any other person, may fire you or otherwise discriminate against you in any way to prevent you from obtaining a plan benefit or exercising your rights under ERISA.

Continuing Group Health Plan Coverage

ERISA provides that all plan participants shall be entitled to:

- Continue health care coverage for yourself, Spouse or Dependents if there is a loss of coverage under the plan as a result of a qualifying event. You or your Dependents may have to pay for such coverage.
- Review your summary plan description and the documents governing the plan on the rules governing your continuation coverage rights under the Federal Consolidated Omnibus Budget Reconciliation Act (COBRA).

Enforcing Your Rights

If your claim for a plan benefit is denied or ignored, in whole or in part, you have a right to know why this was done, to obtain copies of documents relating to the decision without charge, and to appeal any denial, all within certain time schedules.

Under ERISA, there are steps you can take to enforce the above rights. For instance, if you request a copy of plan documents or the latest annual report from the plan and do not receive them within 30 days, you may file suit in a federal court. In such a case, the court may require the plan administrator to provide the materials and pay you a daily penalty until you receive the materials, unless the materials were not sent because of reasons beyond the control of the administrator. If you have a claim for benefits which is denied or ignored, in whole or in part, you may file suit in a state or federal court. In addition, if you disagree with the plan's decision or lack thereof concerning the qualified status of a domestic relations order or a medical child support order, you may file suit in federal court. If it should happen that plan fiduciaries misuse the plan's money, or if you are discriminated against for asserting your rights, you may seek assistance from the U.S. Department of Labor, or you may file suit in a federal court. The court will decide who should pay court costs and legal fees. If you are successful, the court may order the person you have sued to pay these costs and fees. If you lose, the court may order you to pay these costs and fees, for example, if it finds your claim is frivolous.

Assistance with Your Questions

If you have any questions about your plan, you should contact the plan administrator. If you have any questions about this statement or about your rights under ERISA, or if you need assistance in obtaining documents from the plan administrator, you should contact the nearest office of the Employee Benefits Security Administration, U.S. Department of Labor, listed in your telephone directory or the Division of Technical Assistance and Inquiries, Employee Benefits Security Administration, U.S. Department of Labor, 200 Constitution Avenue N.W., Washington, D.C. 20210. You may also

obtain certain publications about your rights and responsibilities under ERISA by calling the Employee Benefits Security Administration.

PROCESSING OF CLAIMS FOR PLAN BENEFITS

Note: Applies to Group Contracts only.

The Department of Labor's (DOL) Employee Benefits Security Administration has published benefit determination procedure regulations for employee benefit plans governed under ERISA. The regulations set forth requirements with respect to the processing of claims for plan benefits, including urgent care claims, pre-service claims, post-service claims and review of claims denials.

Who can submit a claim?

The DOL Regulations apply to claims submitted by ERISA participants or their beneficiaries. In accordance with the regulations, Tufts Health Plan permits an authorized representative (referred to here as the "authorized claimant") to act on your behalf in submitting a claim or obtaining a review of a claim decision. An authorized claimant can be any individual (including, for example, a family Member, an attorney, etc.) whom you designate to act on your behalf with respect to a claim for benefits.

How do I designate an Authorized Claimant?

An authorized claimant can be designated at any point in the claims process - at the pre-service, post service or appeal level. Please contact a Tufts Health Plan Member Representative the number on your ID card for the specifics on how to appoint an authorized claimant.

Types of claims

There are several different types of claims that you may submit for review. Tufts Health Plan's procedures for reviewing claims depends upon the type of claim submitted (urgent care claims, pre-service claims, post-service claims, and concurrent care decisions).

Urgent care claim: An "urgent care claim" is a claim for medical care or treatment where the application of the claims review procedure for non-urgent claims: (1) could seriously jeopardize your life, health or ability to regain maximum function, or (2) based upon your Provider's determination, would subject you to severe pain that cannot adequately be managed without the care or treatment being requested. For urgent care claims, Tufts Health Plan will respond to you within 72 hours after receipt of the claim*. If Tufts Health Plan determines that additional information is needed to review your claim, we will notify you within 24 hours after receipt of the claim and provide you with a description of the additional information needed to evaluate your claim. You have 48 hours after that time to provide the requested information. Tufts Health Plan will evaluate your claim within 48 hours after the earlier of our receipt of the requested information, or the end of the extension period given to you to provide the requested information.

Concurrent care decisions: A "concurrent care decision" is a determination relating to the continuation/reduction of an ongoing course of treatment to be provided over a period of time or number of treatments. If Tufts Health Plan has already approved an ongoing course of treatment for you and considers reducing or terminating the treatment, Tufts Health Plan will notify you sufficiently in advance of the reduction or termination of treatment to allow you to appeal the decision and obtain a determination before the treatment is reduced or terminated. If you request to extend an ongoing course of treatment that involves urgent care, Tufts Health Plan will respond to you within 24 hours after receipt of the request (provided that you make the request at least 24 hours prior to the expiration of the ongoing course of treatment). If you reach the end of a pre-approved course of treatment before requesting additional services, the "pre-service" or "post-service" time limits will apply.

Pre-service claim: A "pre-service claim" is a claim that requires approval of the benefit in advance of obtaining the care. For pre-service claims, Tufts Health Plan will respond to you within 15 days after receipt of the claim*. If Tufts Health Plan determines that an extension is necessary due to matters beyond our control, we will notify you within 15 days informing you of the circumstances requiring the extension and the date by which we expect to render a decision (up to an additional 15 days). If you make a pre-service claim, but do not submit enough information for Tufts Health Plan to make a determination, we will notify you within 15 days and describe the information that you need to provide to Tufts Health Plan. You will have no less than 45 days from the date you receive the notice to provide the requested information.

Post-service claim: A "post-service claim" is a claim for payment for a particular service after the service has been provided. For post-service claims, Tufts Health Plan will respond to you within 30 days after receipt of the claim. If Tufts Health Plan determines that an extension is necessary due to matters beyond our control, we will notify you within 30 days informing you of the circumstances requiring the extension and the date by which we expect to render a decision (up to an additional 15 days). If you make a post-service claim, but do not submit enough information for Tufts Health Plan to make a determination, we will notify you within 30 days and describe the information that you need to provide to Tufts Health Plan. You will have no less than 45 days from the date you receive the notice to provide the requested information.

Capitalized words are defined in Appendix A.

If your request for coverage is denied, you have the right to file an appeal. See Chapter 6 for information on how to file an appeal.

* In accordance with Massachusetts law, Tufts Health Plan will make an initial determination regarding a proposed admission, procedure, or service that requires such a determination within two working days of obtaining all necessary information.

STATEMENT OF RIGHTS UNDER THE NEWBORNS' AND MOTHERS' HEALTH PROTECTION ACT

Note: Applies to Group Contracts only.

Under federal law, group health plans and health insurance issuers offering group health insurance coverage generally may not restrict benefits for any hospital length of stay in connection with childbirth for the mother or newborn child to less than 48 hours following a vaginal delivery, or less than 96 hours following a delivery by cesarean section. However, the plan or issuer may pay for a shorter stay if the attending provider (e.g., your physician, nurse midwife, or physician assistant), after consultation with the mother, discharges the mother or newborn earlier.

Also, under federal law, plans or issuers may not set the level of benefits or out-of-pocket costs so that any later portion of the 48-hour (or 96-hour) stay is treated in a manner less favorable to the mother or newborn than any earlier portion of the stay.

In addition, a plan or issuer may not, under federal law, require that a provider or other health care provider obtain authorization for prescribing a length of stay or up to 48 hours (or 96 hours). However, to use certain providers or facilities, you may be required to provide notification to Tufts Health Plan. For information on notification requirements, contact your plan administrator.

FAMILY AND MEDICAL LEAVE ACT OF 1993

Note: The Family and Medical Leave Act only applies to groups with 50 or more employees

Under the Family and Medical Leave Act of 1993 (FMLA), if an employee meets the eligibility requirements, that employee is legally allowed to take up to 12 weeks of unpaid leave during any 12-month period for one or more of the following reasons:

- for the birth and care of the newborn Child of the employee;
- for placement with the employee of a son or daughter for adoption or foster care;
- to care for an immediate family Member (Spouse, Child, or parent) with a serious health condition; or
- to take medical leave when the employee is unable to work because of a serious health condition.

The FMLA was amended to add two new leave rights related to military service, effective January 16, 2009:

- **Qualifying Exigency Leave:** Eligible employees are entitled to up to 12 weeks of leave because of "any qualifying exigency" due to the fact that the spouse, son, daughter, or parent of the employee is on active duty, or has been notified of an impending call to active duty status, in support of a contingency operation.
- **Military Caregiver Leave:** An eligible employee who is the spouse, son, daughter, parent, or next of kin of a covered servicemember who is recovering from a serious illness or injury sustained in the line of duty on active duty is entitled to up to 26 weeks of leave in a single 12-month period to care for the servicemember. The employee is entitled to a combined total of 26 weeks for all types of FMLA leave in the single 12-month period.

In order to be eligible, the employee must have worked for his or her employer for a total of 12 months and worked at least 1,250 hours over the previous 12 months.

A covered employer is required to maintain group health insurance coverage for an employee on FMLA leave whenever such insurance was provided before the leave was taken and on the same terms as if the employee had continued to work. If applicable, arrangements will need to be made for employees to pay their share of health insurance Premiums while on leave. In some instances, the employer may recover Premiums it paid to maintain health coverage for an employee who fails to return to work from FMLA leave.

An employee should contact his or her employer for details about FMLA and to make payment arrangements, if applicable. Additional information is also available from the U.S. Department of Labor: (1-866-487-9243) TTY: 1-877-899-5627 or <http://www.dol.gov/whd/regs/compliance/posters/fmlaen/pdf>.

We are required by law to maintain the privacy of your PHI and to provide you with notice of our legal duties and privacy practices with respect to your PHI. This Notice of Privacy Practices describes how we may collect, use, and disclose your PHI, and your rights concerning your PHI. This Notice applies to all members of Tufts Health Plan's insured health benefit plans (including HMO plans; Tufts Health Plan Medicare Preferred plans; and insured POS and PPO plans. It also applies to all members of health plans insured by Tufts Insurance Company (a Tufts Health Plan affiliate)). Unless your employer has notified you otherwise, this Notice of Privacy Practices also applies to all members of self-insured group health plans that are administered by a Tufts Health Plan entity.

How We Obtain PHI

As a managed care plan, we engage in routine activities that result in our being given PHI from sources other than you. For example, health care providers - such as physicians and hospitals - submit claim forms containing PHI to enable us to pay them for the covered health care services they have provided to you.

How We Use and Disclose Your PHI

We use and disclose PHI in a number of ways to carry out our responsibilities as a managed care plan. The following describes the types of uses and disclosures of PHI that federal law permits us to make without your specific authorization:

- **Treatment:** We may use and disclose your PHI to health care providers to help them treat you. For example, our care managers may disclose PHI to a home health care agency to make sure you get the services you need after discharge from a hospital.
- **Payment Purposes:** We use and disclose your PHI for payment purposes, such as paying doctors and hospitals for covered services. Payment purposes also include activities such as: determining eligibility for benefits; reviewing services for medical necessity; performing utilization review; obtaining premiums; coordinating benefits; subrogation; and collection activities.
- **Health Care Operations:** We use and disclose your PHI for health care operations. For example, this includes coordinating/managing care; assessing and improving the quality of health care services; reviewing the qualifications and performance of providers; reviewing health plan performance; conducting medical reviews; and resolving grievances. It also includes business activities such as: underwriting; rating; placing or replacing coverage; determining coverage policies; business planning; obtaining reinsurance; arranging for legal and auditing services (including fraud and abuse detection programs); and obtaining accreditations and licenses. We do not use or disclose PHI that is genetic information for underwriting purposes.
- **Health and Wellness Information:** We may use your PHI to contact you with information about: appointment reminders; treatment alternatives; therapies; health care providers; settings of care; or other health-related benefits, services and products that may be of interest to you. For example, we might send you information about smoking cessation programs, or we might send a mailing to subscribers approaching Medicare eligible age with materials describing our senior products and an application form.
- **Organizations That Assist Us:** In connection with treatment, payment and health care operations, we may share your PHI with our affiliates and third party "business associates" that perform activities for us or on our behalf, for example, our pharmacy benefit manager. We will obtain assurances from our business associates that they will appropriately safeguard your information.
- **Plan Sponsors:** If you are enrolled in Tufts Health Plan through your current or former place of work, you are enrolled in a group health plan. We may disclose PHI to the group health plan's sponsor - usually your employer - for plan

administration purposes. A plan sponsor of an insured health benefit plan must certify that it will protect the PHI in accordance with law.

- **Public Health and Safety; Health Oversight:** We may disclose your PHI: to a public health authority for public health activities, such as responding to public health investigations; when authorized by law, to appropriate authorities, if we reasonably believe you are a victim of abuse, neglect or domestic violence; when we believe in good faith that it is necessary to prevent or lessen a serious and imminent threat to your or others' health or safety; or to health oversight agencies for certain activities such as: audits; disciplinary actions; and licensure activity.
- **Legal Process; Law Enforcement; Specialized Government Activities:** We may disclose your PHI in the course of legal proceedings; in certain cases, in response to a subpoena, discovery request or other lawful process; to law enforcement officials for such purposes as responding to a warrant or subpoena; or for specialized governmental activities such as national security.
- **Research; Death; Organ Donation:** We may disclose your PHI to researchers, provided that certain established measures are taken to protect your privacy. We may disclose PHI, in certain instances, to coroners, medical examiners and in connection with organ donation.
- **Workers' Compensation:** We may disclose your PHI when authorized by workers' compensation laws.
- **Family and Friends:** We may disclose PHI to a family member, relative, or friend - or anyone else you identify - as follows: (i) when you are present prior to the use of disclosure and you agree; or (ii) when you are not present (or you are incapacitated or in an emergency situation) if, in the exercise of our professional judgment and in our experience with common practice, we determine that the disclosure is in your best interests. In these cases, we will only disclose the PHI that is directly relevant to the person's involvement in your health care or payment related to your health care.
- **Personal Representatives:** Unless prohibited by law, we may disclose your PHI to your personal representative, if any. A personal representative is a person who has legal authority to act on your behalf regarding your health care or health care benefits. For example, an individual named in a durable power of attorney or a parent or guardian of an unemancipated minor are personal representatives.
- **Communications:** We will communicate information containing your PHI to the address or telephone number we have on record for the subscriber of your health benefits plan. Also, we may mail information containing your PHI to the subscriber. For example, communication regarding member requests for reimbursement may be addressed to the subscriber. We will not make separate mailings for enrolled dependents at different addresses, unless we are requested to do so and agree to the request. See below "Right to Receive Confidential Communications: for more information on how to make such a request.
- **Required by Law:** We may use or disclose your PHI when we are required to do so by law. For example, we must disclose your PHI to the U.S. Department of Health and Human Services upon request if they wish to determine whether we are in compliance with federal privacy laws.

If one of the above reasons does not apply, we will not use or disclose your PHI without your written permission ("authorization"). You may give us written authorization to use or disclose your PHI to anyone for any purpose. You may later change your mind and revoke your authorization in writing. However, your written revocation will not affect actions we've already taken in reliance on your authorization. Where state or other federal laws offer you greater privacy protections, we will follow those more stringent requirements. For example, under certain circumstances, records that contain information about: alcohol abuse treatment; drug abuse prevention or treatment; AIDS-related testing or treatment; or certain privileged communications, may not be disclosed without your written authorization. In addition, when applicable, we must have your written authorization before using or disclosing medical or treatment information for a member appeal. See below "Who to Contact for Questions or Complaints" if you would like more information.

How We Protect PHI Within Our Organization

Tufts Health Plan protects oral, written and electronic PHI throughout our organization. We do not sell PHI to anyone. We have many internal policies and procedures designed to control and protect the internal security of your PHI. These policies and procedures address, for example, use of PHI by our employees. In addition, we train all employees about these policies and procedures. Our policies and procedures are evaluated and updated for compliance with applicable laws.

Your Individual Rights

The following is a summary of your rights with respect to your PHI:

- **Right of Access to PHI:** You have the right to inspect and get a copy of most PHI Tufts Health Plan has about you, or a summary explanation of PHI if agreed to in advance by you. Requests must be made in writing and reasonably describe the information you would like to inspect or copy. If your PHI is maintained electronically, you will also have

the right to request a copy in electronic format. We have the right to charge a reasonable cost-based fee for paper or electronic copies as established by state or federal law. Under certain circumstances, we may deny your request. If we do so, we will send you a written notice of denial describing the basis of our denial. You may request that we send a copy of your PHI directly to another person that you designate. Your request must be in writing, signed by you, and clearly identify the person and the address where the PHI should be sent.

- **Right to Request Restrictions:** You have the right to ask that we restrict uses or disclosures of your PHI to carry out treatment, payment and health care operations,; and disclosures to family members or friends. We will consider the request. However, we are not required to agree to it and, in certain cases, federal law does not permit a restriction. Requests may be made verbally or in writing to Tufts Health Plan.
- **Right to Receive Confidential Communications:** You have the right to ask us to send communications of your PHI to you at an address of your choice or that we communicate with you in a certain way. For example, you may ask us to mail your information to an address other than the subscriber's address. We will accommodate your request if: you state that disclosure of your PHI through our usual means could endanger you; your request is reasonable; it specifies the alternative means or location; and it contains information as to how payment, if any, will be handled. Requests may be made verbally or in writing to Tufts Health Plan.
- **Right to Amend PHI:** You have the right to have us amend most PHI we have about you. We may deny your request under certain circumstances. If we deny your request, we will send you a written notice of denial. This notice will describe the reason for our denial and your right to submit a written statement disagreeing with the denial. Requests must be in writing to Tufts Health Plan and must include a reason to support the requested amendment.
- **Right to Receive an Accounting of Disclosures:** You have the right to a written accounting of the disclosures of your PHI that we made in the last six years prior to the date you request the accounting. However, except as otherwise provided by law, this right does not apply to: (i) disclosures we made for treatment, payment or health care operations; (ii) disclosures made to you or people you have designated; (iii) disclosures you or your personal representative have authorized; (iv) disclosures made before April 14, 2003; and (v) certain other disclosures, such as disclosures for national security purposes. IF you request an accounting more than once in a 12-month period, we may charge you a reasonable fee. All requests for an accounting of disclosures must be made in writing to Tufts Health Plan.
- **Right to authorized other use and disclosure:** You have the right to authorize any use or disclosure of PHI that is not specified within this notice. For example, we would need your written authorization to use or disclose your PHI for marketing, for most uses or disclosures of psychotherapy notes, or if we intended to sell your PHI. You may revoke an authorization at any time, in writing, except to the extent that we have taken an action in reliance on the use or disclosure indicated in the authorization.
- **Right to receive a privacy breach notice:** You have the right to receive written notification if we discover a breach of your unsecured PHI, and determine through a risk assessment that notification is required.
- **Right to this notice:** You have a right to receive a paper copy of this Notice from us on request.
- **How to Exercise Your Rights:** To exercise any of the individual rights described above or for more information, please call a Member Services Coordinator at 1-800-462-0224 (TDD: 1-800-815-8580) or write to:

Massachusetts Mental Health Parity Laws and The Federal Mental Health Parity and Addiction Equity Act (MHPAEA)

This is to inform you about your Tufts Health Plan benefits for mental/behavioral health and substance use disorder services.

Under both Massachusetts laws and federal laws, benefits for mental/behavioral health services and substance use disorder services must be comparable to benefits for medical/surgical services. This means that copays, coinsurance and deductibles for mental/behavioral health and substance use disorder services must be at the same level as those for medical/surgical services. Also, Tufts Health Plan's review and authorization of mental/behavioral health or substance use disorder services must be handled in a way that is comparable to the review and authorization of medical/surgical services.

If Tufts Health Plan makes a decision to deny or reduce authorization of a service, you will receive a letter explaining the reasons for the denial or reduction. At your request, Tufts Health Plan will send you or your provider a copy of the criteria used to make this decision.

If you think that Tufts Health Plan is not handling your benefits in accordance with this notification, you may file a complaint with the Division of Insurance (DOI) Consumer Services Section.

You may file a written complaint using the DOI's Insurance Complaint Form. You may request the form by phone or by mail or find it on the DOI's webpage at www.mass.gov/ocabr/docs/doi/consumer/css-complaint-form.pdf.

You may also submit a complaint by phone by calling 877-563-4467 or 617-521-7794. If you submit a complaint by phone, you must follow up in writing and include your name and address, the nature of your complaint, and your signature authorizing the release of any information.

Filing a written complaint with the DOI is not the same as filing an appeal under your Tufts Health Plan coverage. You must also file an appeal with Tufts Health Plan in order to have a denial or reduction of coverage of a service reviewed. This may be necessary to protect your right to continued coverage of treatment while you wait for an appeal decision. Follow the appeal procedures outlined in your Tufts Health Plan benefit document for more information about filing an appeal.
