Coordination of Benefits

Right to receive and release necessary information

This provision has been revised to include other notification requirements, and now reads as follows:

When you enroll, you must include information on your membership application about other health coverage you have. After you enroll, you must notify us of new coverage, termination of other coverage, or if you are enrolled in any high deductible health plan with a health savings account (HSA). We may ask for and give out information needed to coordinate benefits. You agree to provide information about other coverage and cooperate with our COB program.
