Mobile Urgent Care Services

Effective 1/1/2023, the *Urgent Care* benefit will be expanded to include the coverage for mobile *Urgent Care* services. Mobile *Urgent Care* services allow *Members* to receive treatment for a variety of symptoms and illnesses in their homes, at work, or anywhere that *Urgent Care* services are required. Availability of these mobile *Urgent Care* services is dependent on the *Member's* location. Mobile *Urgent Care* services do not require prior approval by an *Authorized Reviewer*. Please contact the Member Services Department for additional information. You can also go to www.tuftshealthplan.com to see where these services are available.
