Will I get the same Medicare and MassHealth benefits in Tufts Health Unify that I get now?	<p>You will get your covered Medicare and MassHealth benefits directly from Tufts Health Unify. You will work with a team of providers who will help determine what services will best meet your needs. This means that some of the services you get now may change. For all other services, you can keep using your doctors and getting your current services for 90 days, or until your ICP is complete.</p>
Can I go to the same doctors I use now?	<p>Often that is the case. If your providers (including doctors, therapist, pharmacies, and other health care providers) work with Tufts Health Unify and have a contract with us, you can keep going to them.</p> <ul style="list-style-type: none">• Providers with an agreement with us are “in-network.” You must use the providers in Tufts Health Unify’s network.• If you need urgent or emergency care or out-of-area dialysis services, you can use providers outside of Tufts Health Unify’s plan. <p>To find out if your doctors are in the plan’s network, call Member Services or read Tufts Health Unify’s <i>Provider and Pharmacy Directory</i> on the plan’s website at TuftsHealthUnify.org.</p> <p>If Tufts Health Unify is new for you, we will work with you to develop an Individualized Care Plan (ICP) to address your needs.
