(1) Pediatric Essential Health Benefit as Required by Massachusetts Law

Members under age 19 have an out-of-pocket maximum of \$1,000 and once this maximum has been reached, all covered benefits will be covered at 100% and not subject to the calendar year maximum.

The orthodontic lifetime maximum is unlimited for members under age 19 if the treatment is determined to be medically necessary.

(2) Diagnostic and Preventive services DO NOT apply toward the calendar year maximum.

(3) Non-participating dentists may balance bill. Subscribers are responsible for the difference between the non-participating maximum allowance and the full fee charged by the dentist.

(4) Certain qualified surgical procedures are covered at 90% and do not apply to the calendar year maximum. Please call customer service for more information (800-872-0500) or ask your dentist to submit a pre-estimate.

Pre-estimates: Ask your dentist to submit a pre-treatment estimate to Delta Dental for any procedure that exceeds \$300. This will help you estimate in advance any out-of-pocket expenses you may incur and will confirm that the services you're having are covered under your dental coverage.
