Finding a health care provider
This directory includes the following information about our providers:

- Address
- Phone number
- Whether they are accepting new patients
- Office locations
- Accessibility
- Specialties

This entire document is searchable. To search for a provider, hospital, or pharmacy in this directory you can use your browsers search function. You can also search by clicking the 'CTRL' and 'F' buttons on your keyboard at the same time, and a search box will appear. Type any keyword into the search box to search the document for a:

- Specific type of doctor or specialty
- Specific doctor or facility by name
- Pharmacy
- City, town, or zip code
- Languages spoken by provider
- Accessibility accommodations

We work hard to make sure the information is accurate. But information changes, so you should always call a provider's office to check the address, office hours and other information you need.

To get help finding a provider, please call our member services team at **888-257-1985**, Monday through Friday, from 8 a.m. to 5 p.m.

Selecting your primary care provider (PCP)
Every member needs to have a PCP. A PCP is the doctor, nurse practitioner or physician assistant who manages your care.

If you don't want to stay with your PCP, you can always choose a different Tufts Health Together with UMass Memorial Health PCP by calling us at **888-257-1985**

What if a PCP's entry does not say, "Accepting new patients?"
Some PCP practices may be "full," which means they are not accepting new patients. If you are a new Tufts Health Together with UMass Memorial Health member and already a patient of the PCP, you should be able to keep your PCP, if he or she is in the Tufts Health Together with UMass Memorial Health network. Call us at **888-257-1985** for information about whether a PCP is accepting new patients.

Finding a behavioral health services provider
If you need to see a behavioral health specialist, such as a psychopharmacologist (a psychiatrist who specializes in using medications to treat psychiatric disorders), ask your PCP or your counselor/psychotherapist to suggest a specialist for you. If you want to talk to our member services team about finding a behavioral health provider, call us Monday through Friday, from 8 a.m. to 5 p.m.

Finding a specialist
Talk to your PCP before seeing a specialist. Your PCP or other provider can help you find the right specialist, get an appointment and coordinate your care.

Please read your Member Handbook for more information about specialists and prior authorization. You can also ask your PCP, call our member services team at **888-257-1985**.

Prior authorization
Prior authorization means your provider needs to ask us for permission for you to get certain covered services, however some covered services never require prior authorization. For example, you never need prior authorization before you get emergency care, post-stabilization care services, or a physical therapy evaluation and the next 11 physical therapy visits with preferred in-network providers. You also never need prior authorization before getting family-planning services from any statewide MassHealth-contracted provider.

In an emergency
In a medical or behavioral health emergency, do not wait. Call 911 or your local emergency number or go to the nearest emergency room right away. Bring your Tufts Health Together with UMass Memorial Health member ID card *and* your MassHealth ID card with you. For behavioral health emergencies, you may also call your local Community Behavioral Health Center (CBHC).

You never need prior authorization (permission) to visit any emergency room or to get post-stabilization care. Let your PCP and, if applicable, your behavioral health provider, know what happened within 48 hours in order to get follow-up care, if necessary.

For all other care that requires hospitalization, your PCP will arrange for you to go to a hospital in our network.

In an urgent care situation
An urgent care situation is when you experience a health problem that needs attention right away, but you do not believe you are having an emergency. You may experience a health problem that is serious but does not put your life in danger or risk permanent damage to your health. Your PCP or your behavioral health provider can usually address medical or behavioral health problems.

If appropriate, make an appointment to visit your provider. Your provider must see you within 48 hours for urgent care appointments. If your condition gets worse before your PCP or behavioral health provider sees you, call 911 or go to the nearest emergency room. If you have a behavioral health concern, you may also call your local Community Behavioral Health Center (CBHC).

In some areas, you may be able to go to an urgent care center (UCC). When going to a UCC, you should also try to contact your PCP as well.

When you travel
If you are traveling and need emergency or urgent health care, go to the nearest emergency room. We do not cover any services received outside of the U.S. or its territories, including emergency or urgent care.

24/7 NurseLine
You can get no-cost health support by phone anytime you need it by calling our 24/7 NurseLine at 888-MY-RN-LINE (**888-697-6546**) (TTY: 711). Translation services are available. The 24/7 NurseLine is not an emergency line and does not take the place of your provider.
