TRADITIONAL PLAN
The Traditional Plan is for members who don’t want to worry about an in-network deductible or different provider Tiers – you'll pay the same copayment every time you have an office visit with a provider in the Tufts Health Plan network. You have the freedom to see any provider – in or out of the Tufts Health Plan network – without referrals.

THE TRADITIONAL PLAN HAS:
- In-network $25 office visit copayment for all providers
- No in-network deductible
- Out-of-network deductible and 20% coinsurance once deductible is met
- In-network, routine care, like annual physicals, preventive testing, and immunizations, is covered 100%
- Standard pharmacy benefit

VALUE PLAN
The Value Plan gives members the power to choose among and be covered for treatment by licensed physicians, specialists, and hospitals in or out of the Tufts Health Plan network. The plan incorporates a fee structure that requires some cost-sharing on your part including a deductible and copayments.

THE VALUE PLAN HAS:
- In-network $35 office visit copayment for all providers
- Some in-network services subject to deductible
- Out-of-network deductible and 20% coinsurance once deductible is met
- In-network, routine care, like annual physicals, preventive testing, and immunizations, is covered 100%
- Value-Based Pharmacy: certain medications offered at no copayment for treatment of common chronic conditions
