

Voluntary 90-Day Supply Pharmacy Program

Applies to the following Tufts Health Public Plans products:

- Tufts Health Direct – Health Connector
- Tufts Health Together – MassHealth MCO Plan and Accountable Care Partnership Plan
- Tufts Health RITogether – A RI Medicaid Plan
- Tufts Health Unify – OneCare Plan

Effective for fill dates on or after May 1, 2020, Tufts Health Plan will adopt a voluntary 90-day supply pharmacy program. The program will allow for select generic maintenance medications used to treat common chronic conditions to be filled at a retail pharmacy for up to a 90-day supply. The table below lists the medications that will be available for up to a 90-day supply. Effective May 1, 2020, please refer to the Tufts Health RITogether Preferred Drug List (PDL) to see if a medication can be filled for up to a 90-day supply. **Note:** Any current restrictions (for example, prior approval, quantity limits) will continue to apply.
