

Medical Drugs Requiring Prior Authorization

Effective: January 1, 2019

Applies to the following products:

- Tufts Medicare Preferred HMO (a Medicare Advantage product)
- Tufts Health Plan Senior Care Options (SCO) (a dual-eligible product)
- Tufts Health Unify (a dual-eligible product)

OVERVIEW

The plan requires prior authorization for selected Part B medical drug products that have a specific indication for use, are expensive, or pose significant safety concerns. Our medical prior authorization guidelines are used in conjunction with a member's plan document and in coordination with the member's provider(s). The coverage of the drugs listed below is subject to Local Coverage Determinations (LCDs) and National Coverage Determinations (NCDs).
