### **POLICY**

Tufts Health Plan covers medically necessary outpatient cardiac and pulmonary rehabilitation services, in accordance with the member's benefits, CMS, MassHealth and/or Rhode Island EOHHHS requirements, as applicable.

### **GENERAL BENEFIT INFORMATION**

Services and subsequent payment are pursuant to the member's benefit plan document. Member eligibility and benefit specifics should be verified prior to initiating services by logging on to the secure Provider [website](#) or by contacting [Provider Services](#).

**Note:** There is no member responsibility for covered services for Tufts Health Plan SCO, Tufts Health Unify, Tufts Health Together or Tufts Health RITogether members.

### **REFERRAL/AUTHORIZATION/NOTIFICATION REQUIREMENTS**

No referrals, authorizations or inpatient notifications are required for cardiac and/or pulmonary rehabilitation services.

### **BILLING INSTRUCTIONS**

Unless otherwise stated, Tufts Health Plan follows AMA coding guidelines. Refer to current industry standard coding guidelines for a complete list of ICD, CPT/HCPCS, revenue codes, modifiers and their usage. Providers may only bill the procedure code(s) in accordance with the applicable financial exhibits of their provider agreements and applicable fee schedules. For more information, refer to the [Professional Services and Facilities Payment Policy](#).

Use of noncontracting labs may have the unintended consequence of subjecting the member to unnecessary services not ordered by the treating provider or other unreasonable financial exposure. In such circumstances, Tufts Health Plan may hold the ordering provider accountable for any inappropriate behavior on the part of the nonparticipating lab that has been selected.

<sup>1</sup> Commercial products include HMO, POS, PPO, Tufts Health Freedom Plan, and CareLink<sup>SM</sup> when Tufts Health Plan is the primary administrator.

## **AUDIT AND DISCLAIMER INFORMATION**

Tufts Health Plan reserves the right to conduct audits on any provider and/or facility to ensure compliance with the guidelines stated in this payment policy. If such an audit determines that a provider/facility did not comply with this payment policy, Tufts Health Plan will expect the provider/facility to refund all payments related to noncompliance. For more information about Tufts Health Plan's [audit policies](#), refer to the Provider website.

This policy provides information on Tufts Health Plan claims adjudication processes. As every claim is unique, this policy is neither a guarantee of payment, nor a final indication of how specific claim(s) will be adjudicated. Claims payment is subject to member eligibility and benefits on the date of service, coordination of benefits, referral/authorization and utilization management requirements (when applicable), adherence to plan policies and procedures, and claims editing logic. An authorization is not a guarantee of payment. Claims for services subject to authorization may be reviewed for accuracy and compliance with payment policies.

This policy applies to the Tufts Health Plan products, as identified in the checkboxes on the first page, and to CareLink<sup>SM</sup> for providers in Massachusetts and Rhode Island service areas. Providers in the New Hampshire service area are subject to Cigna's provider agreements with respect to CareLink members. This policy does not apply to the Private Health Care Systems (PHCS) network (also known as Multiplan). Tufts Health Plan reserves the right to amend a payment policy at its discretion.
