

## Working with CareLink<sup>SM</sup>

The administrative services for CareLink accounts are shared between Tufts Health Plan and Cigna; however, one is selected to serve as the primary administrator for each particular CareLink account. The administrative lead performs most plan administrative functions including claim adjudication. The member's ID card is uniquely branded to indicate the primary administrator.

Determining Questions Regarding:	Cigna (as Primary Administrator)	Shared Administration (Unions & Allied Trades)	Tufts Health Plan (as Primary Administrator)
<b>Verification</b>
