

## Pharmacy Formulary Updates for April 2019

To offer a pharmacy benefit that is clinically appropriate and cost effective, we constantly review how we cover prescription medications. Periodic adjustments are made to meet these goals. With the exception of new-to-market medications, the changes below are reflected in our online Preferred Drug List.

The following is a list of drugs that changed formulary status April 2019:

| Drug Name                                  | Tufts Health Public Plan Formulary |
