

## Pharmacy Formulary Updates for November 2020

To offer a pharmacy benefit that is clinically appropriate and cost effective, we constantly review how we cover prescription medications. Periodic adjustments are made to meet these goals. With the exception of new-to-market medications, the changes below are reflected in our online Preferred Drug List.

The following is a list of drugs that changed formulary status November 2020:

Drug Name	Tufts Health Public Plan Formulary
