# Network Savings Program When Traveling

<https://tuftshealthplan.com/explore-our-plans/traveling-out-of-network> (<https://tuftshealthplan.com/explore-our-plans/traveling-out-of-network/>)

The Cigna PPO Network is available to HMO and EPO members for urgent and emergency care while traveling outside of Massachusetts, Rhode Island, and New Hampshire.

POS and PPO members may access the Cigna PPO Network outside of Massachusetts, Rhode Island, and New Hampshire using their unauthorized or out-of-network level of benefits. Using the Cigna PPO Network may save members money on their out-of-pocket expenses. Any urgent or emergency care POS and PPO members receive in this network would be covered at the authorized or in-network level of benefits.

**PLEASE NOTE: Only medical providers located OUTSIDE of Massachusetts, Rhode Island, and New Hampshire participate and offer savings through this Out-of-Network Savings program.**

**This provider search will return some provider types that are not part of our Out-of-Network Savings Program. Please disregard the following provider types: Dentists in any state and Medical Providers located in Massachusetts, Rhode Island, and New Hampshire.**

**Find a Doctor, Hospital and more outside of Massachusetts, Rhode Island and New Hampshire in the CIGNA PPO Network (<https://sarhcpdir.cigna.com/web/public/sarProviders>)**
